Principal

Message from Principal

'Empowering the youngsters, gives them the courage to believe in themselves and do incredible things'. With this vision in mind, Dr Bhim Rao Ambedkar College, Delhi University is organising the Annual cultural Fest 'Chetna Aarohan'. The two-day fest is designed in such a way to enhance the student's creative bent of mind, providing them a platform to show case their talent and bring out their management skills.

In this fest, an effort has been made to encourage the students to put the stalls of their interest. You will be witnessing that in these two days.

The students will be exhibiting their creative abilities in the form of creative booths with Indian culture and other flavours which will be placed in the entire college campus giving vibrant colour to the fest.

To showcase the talent, the fest is a combination of Indian culture in the form of Hindi poetry competition, Mandala art, Classical dance, and Folk-dance competitions. Along with this, keeping in view of youth mindset, events like Musical events, Western dance and Fashion show are also included. I take pride in mentioning that the whole event is managed solely by my students under the guidance of the Cultural Committee. I congratulate my Cultural Societies and Cultural Committee for managing such an extravagant show.

I hope the students within, and outside college will feel encouraged participating in the fest.

All the very best. Keep it up!

Prof. R.N. Dubey
