

Principal's Message

I feel happy to know that the College Magazine Committee is bringing out the students magazine 'Chetna' which is in fact long awaited. As you know, the holistic development of the College students goes beyond classroom teaching or any structured/formal education system. Thus, any such attempt made to offer multipronged opportunities to its students and further helping them to grow and realize their true potential is always welcome. Our in house students Magazine 'Chetna' provides a platform to students for their creativity, self-expression, learning experiences and even an identity they will be proud of through accepting the challenge of writing. Such an opportunity assumes importance in today's age of competition, in which the young generation seems to be caught up by the much attractive and addictive social media and networking. However, this cannot be a substitute for the human mind engrossed in thinking, exploring and constantly introspecting for the self, surroundings and the country.

This magazine allows its readers to delve into and appreciate new voices, at times radical expressions and opinions of the budding poet, writers and essayists.

All contributors and students deserve congratulations. I hope other students will also feel inspired and motivated to build up their writing and presenting skills. I look forward to all students reaching new heights in their respective fields and making our College a proud institution. Dear students, never forget that Baba Saheb Bharat Ratna Dr. Bhim Rao Ambedkar rose to the occasion of his times to be a guiding light and the trend setter in almost all walks of life and intellect. In fact, he defined the destiny of the nation and its people.

I congratulate the entire Editorial team led by the Convenor Dr. S.S. Chawla, for bringing together this edition of the magazine.

Best Wishes,
Jai Hind
