Dear Colleagues, Namaskar...

Hope you and your colleagues are having wonderful ongoing academic year 2019-2020. You may recall our interaction regarding Digital Initiatives taken up by the University. I am really pleased to receive the enthusiasm and the commitment you have shown to implement these systems. It was also heartening to observe that some of the colleges have already tested system last year. As discussed during the interaction, we all need to work towards more inclusivity and transparency which would help the student community at large. Your college would have the full control on the system for the maximum
