Subject: Invitation to BA Final year students/ Graduates from B R Ambedkar College to apply for ISRN “Antyodaya Fellowship Program”

Respected Sir,
Greetings from ISRN!

We are pleased to inform that Indian Social Responsibility Network (ISRN) has commenced a 60 day “**Antyodaya Fellowship Program**” for BA Final year/ graduates/ Post graduates/research scholars from social sciences streams with an aim to acquaint them with the processes of social development in the society and enhance their practical knowledge of the sector.

The fellowship is designed to sensitize young leaders towards the various social issues and will serve as a good opportunity for those who are willing to work for the lasting change in the society. The processes within the fellowship aim to impart leadership skills to young researchers and hone their research abilities while familiarizing them with effective vs ineffective social practices.

The 60 days program will comprise of dialogues and meetings with social investors, social entrepreneurs, NGOs, field visits and interactive sessions with the most innovative individuals from India who have silently worked to uplift the last man. The young participants of the fellowship are expected to collect and validate stories and accomplish due diligence while simultaneously identifying the reach, impact and sustainability of these best social practices on the ground.

Indian Social Responsibility Network (ISRN), a multi-dimensional facilitation network, working in the domain of Corporate Social Responsibility (CSR) with a vision to level up India into a developed nation on world platform through participatory approach for holistic development of rural, sub-urban communities. ISRN is set on a path to recognize the unsung, unknown personalities and give them due recognition through our project titled “*Compilation & Documentation of the antyodaya based best practices as propounded by Pt. Deen Dayal Upadhyay*”. *The validated stories by the students during the course of the fellowship will feature in a national document which will highlight the best practices of social development and can help in triggering similar actions.*

We sincerely hope that BA Final year / graduates from Ambedkar College can come forward and participate in this program which will certainly expand their practical knowledge on ground through intensive research. The last date of application is 5th November 2018. Details are provided in the attached poster for further information about the fellowship. We also request your office to facilitate display of the poster at prominent display places within the college premises.

We look forward to your prestigious involvement in the program to make it truly effective.

Sincerely

Santosh Gupta
