From Principal's Desk

“Education, to be complete, must be humane, it must include not only the training of the intellect but the refinement of the heart and the discipline of the spirit. No education can be regarded as complete if it neglects the heart and the spirit” - Sh. Sarvepalli Radhakrishnan

Greetings from the Principal, Dr. Bhim Rao Ambedkar College.

This college is a premier educational institution of the University of Delhi with the exemplary mission to nurture young students who are equipped to achieve success in a rapidly changing, deeply interconnected world. This college is named after Bharat Ratna Dr. Bhim Rao Ambedkar ji, who was popularly known as Baba Saheb. He was not only an Architect of our Constitution, but a leading thinker, serious social reformer and great intellectual. This college came into existence in 1991, a constituent co-educational college of the University of Delhi and it is fully funded by the GNCTD. Spread over around 9 acres including both campuses, the college offers 11 courses from arts, humanities and commerce streams, including three professional courses i.e. Bachelor in Business Economics, Hindi Pa-trakarita & Jansanchar, and Social Work. Students particularly from weaker sections are motivated to take up short-term skill-based job-oriented add-on courses and language courses and undertake research under the guidance of their teachers.

The college has well placed library, access to e-resources, playground, canteen, auditorium and I.T. enabled Wi-Fi, surveillance and computer labs facilities, and the enthusiastic faculty members. The college provides ample opportunities to socialize together in academics, sports, NSS, NCC, eco-club, gender sensitization, cultural and other extra-curricular activities organized through different societies and clubs. Your participation in such activities helps you to inculcate the spirit of group work, mutual respect, discipline and social responsibility towards both college and community development.

The college is known for its nature care and environment-friendly initiatives promoted through its Rose & Herbal Garden, Paper Recycling Unit, Waste Management Unit, Single Use Plastic free Campus, etc. The role of our students all through these years is admirable. You will feel happy that our students' creativity further facilitated by the staff and reflected in our administrative practices has been well appreciated by the University and college was awarded Vice-Chancellor's Commendation in 'Antardhwani' 2015. The college was one of 15 Nodal Centres of G 20 celebration in the University of Delhi. The college organized cultural exchange activities along with Mexico country.

At Dr. Bhim Rao Ambedkar College we value academic integrity and accountability and aim to create open and transparent systems that we deliver through administration. In all this we train our students to also remain sensitive to social responsibilities and ethical choices, so that they respond to those around them with care and kindness. This we know is possible only through a collaborative, shared, and consultative work environment that we help foster through our teaching-learning in the classroom, in the sports field and in our co-circular spaces. The college invites distinguished experts, conducts workshops and organizes National & International conferences, industrial visits and village tours to update your knowledge and create awareness about the ground realities of life. The college also has a placement and counselling cell which helps our students to initiate their career goals. We have well organized Alumni Club and our alumni have achieved high position in the field of media, administration, industries and education in India and abroad. The college has taken an initiative to start a Centre for Multidisciplinary Research, Centre for Skill Development, Faculty Development and Teaching Learning Centre, Campus to Community and Students exchange programmes with different Universities and Colleges of the country. I am sure, you will get many opportunities to present your creative talents and skills through our Journal and Magazine, besides achieving academic excellence.

The College will extensively focus on the National Education Policy mandated blended learning programmes, skill-based education, capacity building of its teachers and students and the non-teaching staff and focus on further strengthening the Information Technology environment of the institution. The spirit of our college resonates with all its staff and students. I hope all of you will spend enriching and the most memorable years of your life in our college and make bonds lasting a lifetime.

I look forward to seeing you on the campus and wish you all success and a great future ahead.
With Best Wishes,

About the College

Dr. Bhim Rao Ambedkar College (BRAC) came into existence on 8th Feb 1991 during the birth centenary year of Bharat Ratna Baba Saheb Dr. Bhim Rao Ambedkar. It is a constituent co- educational college of the University of Delhi and is 100 % funded by the Delhi Government. Since its inception, it has maintained its incessant momentum on the path of progress, both in academics and extra-curricular fields. The principal, teaching & non-teaching Staff have dedicated themselves to build an environment of holistic and inclusive learning, inspiring the youth to create a fruitful and responsible future. The college completed its Silver Jubilee (25th year of operation) in 2016 and the year was celebrated with several academic events, workshops, and conferences.

The college has a unique combination of academic and professional courses under the three-year bachelor's degree Programmes. The prominent academic programmes include B. Com & B. Com (Hons.), B.A. (Hons.) Geography, B.A. (Hons.) History and the evergreen B.A. (Programme). The college holds the unique distinction of being the forerunner in launching four professional courses of the University namely B.A. (Hons.) Hindi Journalism and Mass Communication which was introduced in 1994-95, B.A. (Hons.) Social Work and B.A. (Hons.) Business Economics which were started in 1995-96 and B.A. (Hons.) Applied Psychology which was introduced in 2007- 08. The college has a distinction of offering some Commerce based courses like Human Resource Management (HRM) and Office Management and Secretarial Practice (OMSP) besides the Vocational Course like Functional Hindi (FH) to the students of BA (Programme).

The college is privileged to have WUS Health Centre in its premises to look after the health care needs of students of Delhi University and its employees. The College is situated near Gokulpuri Metro station. Under the capacity expansion plan initiated by the GNCTD, the University has selected our college as one of the Regional-cum-Study Centres to facilitate undergraduate teaching under Personal Contact Programme (PCP) for School of Open Learning (SOL) students. The college is also one of the Centres for teaching to the girl students under Non-Collegiate Women Education Board (NCWEB), University of Delhi. The Dr. Bhim Rao Ambedkar College has also been selected as one of the 12 Centres spread all over India by Rajiv Gandhi National Institute of Youth Development, Ministry of Youth Affairs & Sports, Tamil Nadu which offers one year Post Graduate Diploma in Youth Development (PGDYD).

Academic system at BRAC

At BRAC, we prioritize classroom teaching and pedagogical innovation to provide an academically sound education. Our dedicated faculty members are committed to staying abreast of the latest developments in their respective fields, ensuring that our curriculum remains relevant and up to date. We foster an environment that encourages research, development, and innovation, extending learning beyond the confines of the classroom. Every single Programme is taught by qualified faculty whose lectures are complemented by the rigorous tutorial sessions, that help customize the University of Delhi syllabus according to the needs and demands of the courses/texts. The tutorial system requires the students to go into the reading lists that are specially prepared by the Programme tutor by considering the University syllabi and examinations, Programme objectives and the methodologies required for teaching a particular Programme. In recognition of the evolving nature of education in the post-Covid era, we have placed great emphasis on providing e-resources to our students through various online platforms, including our college website.

Additionally, our esteemed faculty and departmental societies organize conferences, seminars, lectures, and workshops featuring renowned scholars at the international and national levels, providing our students with exposure to world-class education and training. In this regard, The college has organized many international conferences including ‘World Environment Summit 2020, 2021, 2022 & 2023’ and ‘Global Water Congress 2020 & 2022’ at BRAC, North Campus of Delhi University, JNU New Delhi, India International Centre, New Delhi, and Galgotias University, Greater Noida in partnership with the Environment and Social Development Association Delhi and other distinguished institutions to enhance the knowledge of the students about the global burning issues of our environment.

The college has taken an initiative to start a Centre for Multidisciplinary Research, Centre for Skill Development, Faculty Development and Teaching Learning Centre, Campus to Community and Students exchange programmes with different Universities and Colleges of the country. An important aspect of the College is its collaborations with some of the leading institutions and civil societies which facilitate joint research possibilities, providing exposure to learning in a global environment to the students.

General Guidelines

1. A student pursuing an Under-graduate degree has an option to do 'Major' and 'Minor' in UG four-year Programme.
2. The student shall do 'Major' in the core discipline, i.e., Business Economics
3. Minor, however mandatorily requires the student to successfully complete 7 Generic Electives (GEs) under UG Programme.

For Ex: If a student pursuing BA(H) Business Economics chooses seven GE courses of Economics and writes dissertation, He/ She shall be awarded on successful completion of VIII Semesters, Major in Business Economics and Minor in Economics.

4. Caution should be taken to choose all the seven GEs from one single department to qualify for a 'Minor'. This means that the student will be required to earn at least 28 GE credit points from one specific department only.
5. The student while choosing GE to do 'Minor' will Not be allowed to take GE offered by his/her parent* department. The parent department is the one the student has sought admission in and wishes to major in).

Guidelines: DSCs (Discipline Specific Core)

1. The student will be studying three DSCs each semester in the first year.
2. Students enrolled in BA(H) Business Economics will be required to study the following DSCs:

DSCs for Semester-I

Types of paper	Title of the Paper	Syllabi
DSC-1	Microeconomics-1	DSC1 BBE S1.pdf
DSC-2	Accounting for Managers	
DSC-3	Mathematics for Business Economics-1	

Guidelines: GE (Generic Elective)

1. The student may choose any **One** GE paper from the GE Pool List meant for Hons Courses in each semester offered by the college in 2024-25
2. The students are required to note that GE paper must not be the ones being offered by their parent Department. The parent department is the one the student has sought admission into, and wishes to major in.

GE Pool List is as Follows:

List of GE Courses 2024-25 in Semester-I	
Click Here →	List of GEs in Sem-I.docx.pdf

3. To View the syllabi of the GE pool List ‘Click on the relevant syllabi you wish to access in the above List of GE Course List’.

Note: The students are required to do at least 7 GEs/DSEs from one single department to be eligible for two degrees at the end of four years. For any query you are suggested to consult your respective TICs.

Guidelines: AEC (Ability Enhancement Course)

1. As Per NEP, two Papers are to be studied under AEC i.e., AEC-EVS (Environmental Studies) and AEC- MIL. (Modern Indian Language)
2. Both are mandatory papers for all students. Students will be required to study one AEC paper in each Semester.
3. To manage the overall number of students in each AEC in a semester, the bifurcation of students has been done and is as follows:

Courses	Allotted AEC In Sem-1	Syllabi
BA (H) Business Eco	Modern Indian Language*(MIL)	AEC-Sanskrit.pdf
		AEC HINDI.pdf
		AEC URDU (A, B, C).pdf

4. Under AEC-MIL the college is offering three Indian Languages. They are Hindi, Urdu and Sanskrit.

5. In case of any other AEC related query, contact/email the respective TIC/Department. To download the AEC- (MIL) Syllabus, click in the syllabi section of the above table.

Department of Economics

Prof. Sonia Aggarwal
(Teacher-in-charge)

Economics remains a highly sought-after course among students working towards their bachelor's degree. It delves into the organization of economic activities by various entities such as societies, governments, businesses, households, and individuals, aiming to allocate limited resources to fulfill unlimited needs while focusing on sustainable human development. Economists are renowned for guiding the government on economic matters and shaping policies at the central bank encompassing both fiscal and welfare aspects. Moreover, it equips individuals with a framework to evaluate the desirability of financial investments, weigh the pros and cons of different options, and forecast the effects of public policies. The study of econometrics, a key quantitative tool in this field, empowers students to critically analyze statistically driven arguments on a wide array of public and private matters rather than being passive recipients of information. This knowledge enables them to question the validity of a policy's effectiveness, predictions about the economy's future trajectory, and other related issues, distinguishing between substantial evidence and superficial claims.

In this discipline students learn conceptual and empirical models of behavior to predict responses to changes in policy and market conditions and how statistical and mathematical analysis are used to investigate these changes. The Department is capacitated by the following Faculty Members.

Faculty Members:

Name of Faculty	Mobile Phone Number	Email address
Prof. Sonia Aggarwal (TIC)	9873452134	soniaagg1970@gmail.com

The Department of Economics is renowned for orchestrating an array of academic and artistic galas to enrich the knowledge and perspective of both its mentors and learners. Through academic ventures, it hosts seminars, webinars, panel discussions, and talks delivered by distinguished national and international scholars, economic virtuosos, and policymakers. To offer students hands-on experience, the department involves them

in arranging educational excursions, outings, and the economics festival known as Arthkarni. Arthkarni features a myriad of activities and contests orchestrated by students in collaboration with educators, including debates, quizzes, cultural expressions like singing, poetry, and dancing, all fostering the comprehensive development of students. These endeavors are complemented by initiatives like orientation programs for fresh B.A. (Hons.) Economics students and farewell ceremonies for graduating BA (Hons.) Economics students. To foster a more inclusive educational environment, the Economics Society, led by a team comprising a president, vice president, secretary, and treasurer elected by students, works under the guidance of teachers to oversee the organization of student-centric events throughout the academic year. In essence, the collective efforts of faculty members and students harmonize seamlessly to ensure active and inclusive participation in all annual academic and cultural events, nurturing the holistic growth of both students and educators within the institution.

It is an endeavor of the department to host a two-day seminar, a two-day economics festival, competitions to inspire and motivate students, and frequent talks on a range of economics-related topics.

Department of Applied Psychology

Dr. Ravi Shankar Ravi

(Teacher-in charge)

The department offers an Applied Psychology course, which not only aims on building a sound theoretical base of the students but also helps them to apply these theories to their real-life problem situations. Information about varied applied fields of psychology is shared with students. Few of which are Organizational Psychology, Clinical Psychology, Counselling Psychology, Legal Psychology, Developmental Psychology, Forensic Psychology, Environmental Psychology, Educational Psychology, Sports Psychology, Positive Psychology, Neurocognitive Psychology and much more.

The primary mode of instruction is lecturing but department emphasize on skill acquisition through seminars, workshops, presentations, experiential exercises, research, case study analysis and mentoring. The curriculum offers students to get a taste of both experimental and observational learning with that of new holistic electronic based learning approach.

Glimpses of the Department Activities

The Department of Psychology with the help of its dynamic teachers and students has organized various events on different themes of psychology pertaining to practical applicability. The teachers specifically explore the various areas of psychology that students might be interested to pursue in future. The orientation program organized for the first year students, dealt with all their queries and dilemma and emphasized on wholesome participation of students in department and for college. Varied workshops, lectures, seminars and activities were organized by the department leading to valuable information passage to not only psychology students but for students of other departments too.

Eminent speakers in area of psychology like Prof. Naved Iqbal, Dr. Jangra, Dr. Varsha Singh, IPC Officers like T.S. Luthra and Dinesh Kumar Gupta and many more from the field of management, graced the listeners with their extensive knowledge and real life experiences. The workshops were both engrossing and conversant. The students also actively engaged in different internship programs to get hands on training on various theoretical concepts studied at department. The practical's designed by the teachers in various papers gave them exposure to diverse research methodology used in psychology that enabled them to write reports in APA format, thus preparing them for publishing papers in any reputed journal. In addition, the teachers mentored the students in Dissertations, writing research articles and papers that were presented at conferences of national and international repute. The detailed information of the activities and workshops are as follows:

- The Department hosted a workshop on 28th August 2023 and the topic for it was Anti Tobacco Drug- Free India. The guest speakers were Brahmakumari's and the platform provided a discussion on the issue concerning individual, society and community as a whole

Department of Social Work

Prof. Tushti Bhardwaj
(Teacher In Charge)

The University of Delhi introduced B.A. (Hons.) Social Work programme in 1995 realizing the importance of professionalism for social workers at grassroots and intermediate levels. This revised programme based on UGCF 2022 in accordance with the National Education Policy 2020, offers a wide variety of courses to help the students to learn about the national and global scenario of social work in an interdisciplinary mode. Being an applied stream of social sciences and a practice- based programme, it is comprised of classroom teaching and field work practicum in real life settings.

Classroom teaching is directed towards familiarizing students with the methods, principles and skills required for social work intervention and developing students' personality through inculcation of democratic and humanitarian attributes and values. Field work practicum in social work curriculum is considered the signature pedagogy as it denotes the vital methodology of teaching learning to prepare the students for professional practice. Field work is managed through a network of various NGOs and government organizations working in the field of social welfare and development sectors where the students get first-hand experience of various social issues and programmes to address the same. In fact, it is designed to develop social work professionals with essential knowledge, skills, attitudes, competence to work with various national and international development organizations.

B.A. (Hons.) Social Work is one of the best job-oriented programmes and after completion of this programme, the students can get employment opportunities both in the public and private sectors. There is also an opportunity of self-employment as they can establish their own organizations. There are numerous job opportunities in social welfare and development sectors - like family and child welfare, education, health care, community health and nutrition, mental health, youth welfare, women development, elderly, rural and urban development, career guidance, pre & post marital counselling and life coaching, environment and research.

Besides, the social work professionals would also be engaged in providing welfare services, become part of the developmental process, respond to the needs of human rights, social justice, empowerment and liberation of weaker and vulnerable sections of the society.

This is the best suited course for those who have sensitivity towards social concerns and wish to take up challenges to improve the lives of marginalized sections of the society.

Types of paper	Title of the Paper	Syllabi
DSC-1	Fundamentals of Social Work	DSC SW S1.pdf
DSC-2	Understanding Society for Social Work	
DSC-3	Field Work Practicum*-I	

*Components of Field Work Practicum

A. Observation Visits: Students of semester-1 will be given an opportunity to visit and observe agency/community settings in order to know about the initiatives of governmental and non-governmental organizations towards social concerns.

B. Orientation Programme: Three-day orientation programme will be organized at the commencement of the course at the beginning of semester-1, semester-3 and semester-5 of first, second, and third years respectively before starting concurrent field work. Attendance in orientation programme is compulsory.

C. Concurrent Field Work: Concurrent field work is required to be conducted simultaneously with classroom teaching of courses from the very beginning of all the semesters (both odd and even) of first, second and third years and shall continue till the preparation leave before the commencement of the examinations. Two days in a week (Wednesday and Friday) will be allotted to the students to perform concurrent field work. The students may be placed in social welfare agencies or open community settings to initiate and participate in the direct service delivery. The students are required to prepare a learning report of his/her weekly field work visits and submit the same on a weekly assigned day to the respective College Supervisors.

D. Rural Camp: Rural camp will be organized for the students of semester-5 or 6 for approximately 3-5 days to provide exposure to the students about the socio-economic, political, and cultural situations and realities of rural life. The rural camp will be organized under the guidance of the faculty members. Attendance of rural camps is compulsory. There shall be weightage of rural camps in the internal assessment of field work for performance, behaviour and learning in the rural camps which shall be awarded by the

respective College Supervisors. The hours of rural will be calculated in the total field work hours of a student after submission of report in the prescribed format.

E. Block Field Work: At the end of semester-4 of the second year, the students will be required to undergo four-week block field work training in a social welfare agencies or community based projects in or outside Delhi. The block field work agencies/projects will be selected with the consent/choice of the students. A student preferably to be placed under the supervision of professionally qualified social worker in the agencies/projects. A student has to start the block field work on the date specified by the Department of the respective College in the placement letter. Any unreasonable delay in joining block field work or discontinuation will be treated as misconduct. If a student leaves block field work agency without prior approval of agency and/or Department or if his/her performance is found to be unsatisfactory, then he/she will have to repeat the block field work. During block field work, a student will be expected to submit the complete report to the Department in a prescribed manner in the Semester-5. Leave may be allowed during the period of block field work mainly on the ground of sickness. Successful completion of block field work is mandatory before the Bachelor with Honours in Social Work degree can be awarded. The hours of block field work will be calculated in the total field work hours of a student after submission of report as prescribed by the Department of respective College.

F. Skill Development Workshops: The skill development workshop is a platform in which the values, principles, methods, techniques, tools etc. are translated into practice skills, i.e. 'learning by doing'. Through the experimental learning in the workshops, insights are acquired to develop the personal self and the professional self.

Note: Eighty percent (80%) attendance in the concurrent field work and sixty seven percent (67%) attendance in theory classes is compulsory. Those who fail to secure the mandatory attendance will be DETAINED in the semester end examinations and field work viva voce.

Assessment of Field Work Practicum:

The student should be assessed for effort and progress towards task assigned from one point of stage to another in the learning process during the field work. The field work assessment will be done by both internal supervisor and external examiner. The distribution of internal and external marking scheme will be 120 marks and 40 marks respectively. The students will be required to appear in the field work viva-voce before the external examiner on scheduled university examination day.

If the required hours of field work practicum and its components are not completed by any student by the end of any semester in which he/she is studying, an assessment of the performance of the student with a 'fail' recommendation will be given by the College Supervisor.

Department of Geography

Dr. Tulika Sanadhya
(Teacher-In-Charge)

Geography is a diverse and dynamic field dedicated to understanding the earth's surface, its features, and the complex patterns of human activities and resource distribution over space and time. Geography explores the interrelationships between natural and human environments to examine how these relationships shape the world. The study of geography is not just about physical locations; it delves into the processes and interactions that influence how places are formed, how resources are utilized, and how human activities are organized and impacts the environment. This includes examining socio-cultural processes that shape human behavior and societal development within various spatial contexts.

Geography curriculum covers a wide range of themes essential for a comprehensive understanding of the field including **Physical Geography, Human Geography, Environmental Geography, Political Geography, Agricultural Geography** and others. **Urban Geography** examines the spatial aspects of cities and urban processes, **Social Geography** explores the spatial dimensions of social phenomena, and the **Geography of Health and Well-being** focuses on the relationships between place, health, and quality of life. **Digital Cartography** is a paper focusing on the art and science of map-making to provide accurate and systematic representations of the earth's features. **Remote Sensing and Geographical Information System (GIS)** is cutting-edge technology that offer vast opportunities in mapping, project planning, decision-making, and natural resource management. Geography also covers human and environmental issues, including **Disaster Management**, enabling students to understand and tackle the complex interactions between people and their surroundings.

Studying these diverse topics allows students to gain insights into causes, consequences and management of geographical phenomena. They learn to identify problems and explore innovative solutions for a sustainable world. This holistic approach not only enhances their understanding of the world but also broadens their career prospects. The scope of geography for students spans various fields including remote sensing, mapping and surveys, demography, urban studies, regional planning, environmental consulting, disaster management, public policy, education, among others.

Glimpses of the Department Activities

Field Trip: The Department of Geography organizes compulsory self-financed field trips for students as part of the practical paper on Field Work and Research Methodology in semester IV and Disaster Management in semester VI. Field trip is essential in geographical studies as it provides direct, in-depth exposure to the physical, socio-cultural, and economic processes occurring in various locations over the period of time. Field trip on Disaster Management helps in gaining practical insights into real-world disaster responses and mitigation efforts.

BHU-Chetna: An annual inter-college geography-fest is organized to deepen the understanding and appreciation of geography. Bhu-Chetna provides a platform for students to showcase their knowledge, creativity, and analytical skills through creative displays of expression while also encouraging a vibrant and interactive learning environment. The activities include Geo-quiz, debates, map pointer, essay writing, painting, and photography competitions.

Other Activities: The department also organizes seminars, lectures and talks from various fields of geography. Workshops and seminars in the past have covered a range of topics including sectoral and spatial dimensions of development, urbanisation strategy for a five trillion dollar economy: a reality check, research methodology, Remote Sensing and GIS for hazard assessment and monitoring, disaster management, climate change, environmental sustainability and more. In the past, an open house on 'Academic Opportunities and Career Prospects in Public Policy' was organized for third-year students in collaboration with the School of Public Policy and Governance, Tata Institute of Social Sciences, Hyderabad.

Department of History

Dr. S. S. Chawla
Teacher-in-Charge

History has been and continues to be an extremely popular choice among students planning to pursue the bachelor's degree. The discipline, at an academic level, satisfies our craving, to fathom our past, to comprehend the trajectories of the growth of human societies across the world and at the same time helps us unravel and analyze systematically the genesis and the root causes for many of our contemporary problems. History has always been a very popular subject for a variety of competitive examinations given its seamless cohesion with many social science disciplines. Significant shifts in the historiographical concerns in the last half a century have shifted the focus of discourse and research from documenting the plethora of ruling dynasties in Indian History and their historical contexts to a more complex paradigm of exploring the historical changes in social, economic, and cultural domains. This has made the historical enquiry an enriching exercise in analyzing historical questions through interdisciplinary method. For example, Environmental history and Historical geography bring the disciplines of History and Geography together, analyses of political systems and state structures in the past bring History and Political Science together and historical engagements with social issues like caste, gender, education, and suchlike necessitate some knowledge of Sociology and social theory. History has also emerged as a foundation stone for much more specialized career-oriented courses related to Archaeology, Museology, Heritage and Conservation of Historical materials including monuments and artefacts. Careers such as these are challenging but at the same time provide ample opportunities in this competitive and globalized world.

Prof. Chitra Rani
(Teacher-in-Charge)

डॉ. भीम राव अम्बेडकर कॉलेज (दिल्ली विश्वविद्यालय) 8 फरवरी 1991 को भारत रत्न बाबा साहेब डॉ. भीम राव अम्बेडकर के जन्म शताब्दी वर्ष के दौरान अस्तित्व में आया। कॉलेज की स्थापना के साथ ही महाविद्यालय में हिन्दी विभाग का आरंभ हुआ। इस समय विभाग में 13 शिक्षक – 8 प्रोफेसर, 3 एसोसिएट प्रोफेसर तथा 2 अस्सिस्टेंट प्रोफेसर कार्यरत हैं। हिन्दी विभाग के अधिकांश शिक्षक कालेज में अध्यापन के साथ-साथ विभाग द्वारा प्रदान पी.एचडी के छात्रों के शोध-निर्देशक के रूप में भी कार्यरत हैं। हिन्दी विभाग के एक शिक्षक साथी प्रो.स्वराज सिंह 'बेचैन' दिल्ली विश्वविद्यालय के हिन्दी विभाग में अध्यक्ष के रूप में कार्यरत रहे।

वर्तमान में हिन्दी विभाग बी ए ऑनर्स हिन्दी, बी ए ऑनर्स हिन्दी पत्रकारिता एवं जनसंचार के साथ-साथ स्नातक स्तर पर अनेक विकल्पों में बी ए प्रोग्राम और बी कॉम प्रोग्राम के हिन्दी पाठ्यक्रम का संचालन कर रहा है। विद्यार्थियों को हिन्दी साहित्य शिक्षण के साथ रंगमंच, अनुवाद, भाषाविज्ञान, सिनेमा, जनसंचार एवं पत्रकारिता के क्षेत्र में भी आगे बढ़ाने और रोजगारोन्मुखी होने में काफी मदद करता है। विभाग सत्र के आरंभ में विद्यार्थियों के मार्गदर्शन हेतु ओरिएंटेशन कार्यक्रम का आयोजन करता है। हिन्दी दिवस के अवसर पर हिन्दी विभाग हर वर्ष निबंध लेखन, स्वरचित काव्य पाठ, वाद विवाद, विज्ञापन एवं स्लोगन लेखन, रिपोर्टिंग आदि प्रतियोगिताओं का आयोजन करता है। इस तरह की प्रतियोगिताओं का आयोजन करने का उद्देश्य छात्र की छिपी हुई सृजनात्मक प्रतिभा को उभारना और उन्हें प्रोत्साहित करना है।

हिन्दी विभाग विशेष व्याख्यान श्रृंखला के तहत हिन्दी के अनेक विद्वानों तथा पत्रकारिता क्षेत्र के प्रमुख हस्ताक्षरों के साथ-साथ अपने महाविद्यालय से उत्तीर्ण बड़े-बड़े पदों पर आसीन प्रतिभावान छात्रों को भी आमंत्रित करता है। उनके व्याख्यान करवाता है। जिससे उन्हें देखकर विद्यार्थी प्रोत्साहित हों। हमारे महाविद्यालय के अनेक प्रतिभावान छात्र अपने-अपने क्षेत्र में अपना और अपने महाविद्यालय का नाम ऊंचा कर रहे हैं। हिन्दी विभाग के द्वारा ऑनलाइन पत्रिका सृष्टि निकली जाती है, जिसका संपादन हिन्दी ऑनर्स के विद्यार्थी करते हैं। समय-समय पर विभिन्न विषयों पर संगोष्ठियां, राष्ट्रीय और अंतरराष्ट्रीय सेमिनार का आयोजन भी हिन्दी विभाग करता है। "क्लास रूम का सिनेमा" हिन्दी विभाग द्वारा चलाए जाने वाली एक कार्यशाला है, जिसमें विद्यार्थियों द्वारा उनके मोबाइल पर बनाए गए फिल्मों को दिखाया जाता है। साथ ही किसी फ़िल्म समीक्षक या फिल्म निर्माता को आमंत्रित कर फिल्म की बारीकियों से उन्हें अवगत कराया जाता है। हिन्दी विभाग का उद्देश्य रोजगारोन्मुखी शिक्षण देने के साथ-साथ भाषा के प्रति रुचि पैदा करना भी है।

Department of Political Science

Dr. Arvind Kumar Yadav
(Teacher In Charge)

The Department of Political Science offers a comprehensive B.A. (Prog.) course in Political Science, covering both major and minor papers. Additionally, students of B.A. (Prog.) can opt for Generic Elective (GE), Skill Enhancement Course (SEC), and Value-Added Course (VAC) papers. Beside this, B.A. (Hons) course students of other subjects can also opt for GE paper of Political Science to enhance their knowledge about the constitution, Indian power structure, governance, International Relations, globalization and foreign policy of India etc. These courses are very popular among students preparing for various competitive examinations i.e. Civil Services and other professional competitive examinations. The Department provides various opportunities to enhance knowledge through various rigorous academic activities such as symposiums, seminars, debates, talks, and webinars. These activities serve as platforms for knowledge exchange, promoting critical thinking, theoretical base about western and Indian political philosophy and nurturing a deeper appreciation for political science. Studying Political Science offers students a profound insight into societal dynamics and governance, fostering a nuanced understanding of global affairs and policy-making processes. These academic activities equip the students of Political Science with valuable analytical skills to navigate and contribute to contemporary complex socio-political landscape. These events are designed to foster conceptual clarity and critical thinking skills among students. All the faculties of the Department are committed and dedicated to the all-round development of our students, aiming for their academic improvement and overall development, ensuring they shine in every corner of life. Our goal is to prepare good citizen who can contribute meaningfully to society and make a positive impact in their careers and communities in India and abroad.

भारत की समृद्ध और गौरवशाली विरासत की परिचायक संस्कृत विश्व की सबसे प्राचीन और अनेक भाषाओं की जननी है। देव भाषा के नाम से अभिहित यह भाषा भारतीय सभ्यता एवं संस्कृति के ज्ञान का प्रमुख स्रोत है। इसके अध्ययन से न केवल छात्रों में भारतीय ज्ञान परंपरा की समझ विकसित होगी अपितु वे अपनी सभ्यता से भी परिचित हो सकेंगे। अन्य भाषा का ज्ञान प्राप्त करके छात्र धन तो कमा सकता है किंतु संस्कारों का जो उदय इस भाषा के ज्ञान से होता है वह अन्यत्र दुर्लभ है। संस्कृत विभाग आकादमिक उत्कृष्टता को प्रोत्साहन देता है। पुस्तकालय में संस्कृत सम्बन्धी इनसाइक्लोपीडिया, शब्दकोष, और उच्च कोटि का संस्कृत साहित्य उपलब्ध है। छात्रों में उच्चरित भाषा के रूप में संस्कृत को बढ़ावा देने के लिए विविध प्रतियोगिताओं, सेमिनार आदि का आयोजन किया जाता है जिससे उनका मनोबल बढ़ता है और विषय के विद्वानों से संवाद करने का अवसर मिलता है

ऊर्दू भाषा को छात्र मेजर और माइनर विषय के साथ अपने कोर्स में ले सकते हैं। साथ ही साथ AEC, GE व SEC भी उर्दू को शामिल कर सकते हैं। वर्तमान समय में हम देखते हैं की उर्दू भाषा का उपयोग इलेक्ट्रॉनिक

मीडिया व प्रिंट मीडिया में बहुत अधिक पाया जाता है। इसी कारणवश हम यह कह सकते हैं की छात्र पत्रकारिता

के क्षेत्र में भी उर्दू भाषा को एक ऐच्छिक विषय के रूप में शामिल कर सकते हैं। उर्दू विषय से संबंधित उच्च कोटि की अध्ययन सामग्री विश्वविद्यालय के पुस्तकालय में प्रचुर मात्रा में उपलब्ध है। प्रत्येक वर्ष डॉ. भीमराव अंबेडकर कॉलेज का उर्दू विभाग एक दिवसीय सेमिनार का आयोजन करता है, जिसमें विश्वविद्यालय के उर्दू विभाग के विशेषज्ञों को आमंत्रित किया जाता है। छात्रों के हितों को ध्यान में रखते हुए व उन्हें उर्दू भाषा में पारंगत करने हेतु भिन्न-भिन्न प्रकारकी प्रतियोगिताएं भी करवाई जाती हैं। हमारे कॉलेज के उर्दू विभाग के अनेकों छात्रों ने यूनिवर्सिटी और कॉलेज स्तर पर अनेकों प्रतियोगिताओं में भाग लिया है और अनेकों उपलब्धियां प्राप्त की हैं। जैसे : सेंट स्टीफन कॉलेज, दिल्ली यूनिवर्सिटी का मिर्जा गालिब ट्रॉफी में प्रथम स्थान 2019 जामिया मिल्लिया इस्लामिया, दिल्ली बैतबाजी प्रतियोगिता 2018, सत्यवती कॉलेज दिल्ली विश्वविद्यालय क्विज प्रतियोगिता प्रथम स्थान 2023, जाकिर हुसैन दिल्ली कॉलेज (सांध्य) बज्मेअदब गजल प्रतियोगिता 2024 आदि।

Department of Environmental Studies

Prof. Mohinder Singh Kadayan
(Teacher In-charge)

The Department of Environmental Studies was established in response to the University of Delhi's directive to initiate a one-semester compulsory course for every student admitted in the academic year 2014-15.

Students enrolled at the University are required to study and appear for this course either in the first or second semester of their academic year. Following the implementation of the New Education Policy at the University of Delhi in 2022, this course, now termed 'Ability Enhancement Course' (AEC-EVS), has been divided into a two-year course with two credits in the first year and two credits in the second year, incorporating both theoretical and practical teaching methods for all students.

The Department of Environmental Studies fosters interest among students in various areas, including ecology, energy resources, biodiversity, conservation, pollution, waste management, environmental policy and practices, human communities and the environment, and global climate change. The department is also associated with many field experts who have made significant contributions in their respective areas. Students are offered internship opportunities within the department, and the department promotes field-based research, participation in conferences, workshops, and seminars.

Generic Elective (GE) Information/Guidelines:

1. A student pursuing B.A Programme with a specific combination will be required to choose Generic Elective papers from list of GE Language Pool **Only**.
2. The college is offering two Languages in GE Language pool i.e., **English** and **Hindi**.
3. There are 3 options within English to choose from.
4. There are 3 options within Hindi to choose from. However, the students are required to opt only one of the three papers in Hindi Language based on the level of Hindi studied during their secondary schooling.
5. Since the college is offering two languages i.e., English and Hindi, in first two semesters, the college has decided to allot GE- Hindi Language in Semester-I and GE English Language in Semester-II.
6. The students are required to note that they have three options within 'English Language' to choose from and English language is open in Semester-II only.

GE Language Pool list is as follows:

BA(P)	GE Language Pool	Name of Papers	Syllabi
Sem-I	GE- Hindi Language	Hindi A*	GE BA prog Language S1 n S2.pdf
		Hindi B**	
		Hindi C***	

*Hindi A (Meant for Students Studied till 12th Std only)

**Hindi B (Meant for Students Studied till 10th Std only)

***Hindi C (Meant for Students Studied till 8th Std only)

BA(P)	GE Language Pool	Name of Papers	Syllabi
Sem-II	GE- English Language	English Language Through Literature-I	GE english Language pool S1 n S2.pdf
		English Fluency- I	
		Developing English Language Skills-I	

Note: A student while choosing the GE paper must ensure that the GE paper chosen from the GE language pool must not in any case be taken from the same discipline as in the Combination the student is enrolled in.

For Ex:

In case a particular student has sought admission in the combination with English as one of the disciplines, he/she will not be allowed to choose English as GE language.

Likewise, in case a particular student has sought admission in combination with Hindi as one of the disciplines, he/she will not be allowed to choose Hindi as GE language.

1. Only in such exceptional cases (mentioned under point 1), the students will have an option to choose the GE from GE Pool List meant for Hons Courses.
2. A student may opt for any one GE paper from the GE Pool List meant for Hons Courses in both semesters. (applicable only for students having English or Hindi as a discipline in the Combination they are enrolled in)
3. However, while choosing a GE paper from the GE Pool List (meant for Hons courses), student must ensure again that the chosen paper must not be from the same discipline which are already in their combination.

For Ex:

A student with English and Psychology as a combination will not be allowed to take GE English discipline from GE Pool list meant for Honours Courses.

However, they also, will not be allowed to take GE Psychology discipline from GE Pool List.

4. To Choose a paper from GE Pool List* for Combinations with English/Hindi as one of the disciplines.
5. In case of any other clarification/query, contact/email the TICs of his/her department.

Celebrations in College

Orientation Day

The College begins the academic session with a warm welcome to all the first-year students through a well-organized Orientation Day program. The program introduces the new batch of students to the academic and extra-curricular activities, opportunities and skills which they can hone and pursue during their graduation years. The program provides the students with information about their course structures, types of papers and various societies in the college

Cultural Festival

Apart from the various cultural events held at each department level, one of the hallmarks of our college is the vibrant Cultural Society, which epitomizes the commitment to celebrating diversity and promoting artistic expression. Through a wide array of events, workshops, and competitions, the Cultural Society provides students with ample opportunities to showcase their talents in music, dance, theatre, literature, and the visual arts. This enriching cultural exchange not only nurtures individual skills but also helps in building a harmonious and inclusive campus community. The Cultural Society is responsible for our flagship fest-CHETNA which is a yearly event.

Sports Day

Dr Bhim Rao Ambedkar College organized an inter-college sports fest, BAREFOOT 2024. There were various competitions like cricket, basketball, volleyball, football, and Kho-Kho in this event. The famous Indian wrestler Mr. Ravi Kumar Dahiya (Deputy Director of Sports Delhi) inaugurated the fest, and the closing ceremony of the event was done by Shri Sudhanshu Mittal, President of the Kho-Kho Association of India. Mr. Yogesh Nagar (Ranji and IPL player) inaugurated the cricket tournament and the closing ceremony was done by Mr. Pradeep Sangwan (Indian Cricketer). College sports encompass a wide range of sports, including popular ones like basketball, football, volleyball, shooting, archery, cricket, baseball, chess, kabaddi, and kho-kho. College sports offer opportunities for talented student-athletes to receive athletic scholarships. It promotes women's sports and provides various opportunities for female student-athletes to participate and excel in athletics.

Our college has won 1st place in the inter-college competition in baseball and Kho-Kho, 2nd place in the 800m competition, and 3rd place in the 400m relay competition. Many of our students have represented our college in inter-university competitions in baseball, Kho-Kho, and volleyball

Freshers' Day

The college organizes Fresher's Day for the new students to help them build connections and friendships. This event aims to create a positive and inclusive atmosphere, encouraging freshers to participate and engage with their peers to ensure their graduation years are memorable. After several rounds of talent and skills shows, Miss and Mister Freshers are selected for the Fresher's Day celebration.

Annual Day Celebrations

The college celebrates its “Prize Distribution & Annual Day Celebration” on the 8th of February every year. The Principal reads out the Annual Report of the college highlighting the several achievements and activities held during the session. The students who performed fairly well throughout the year in academics and extra-curricular activities receive prizes from the chief guest of the event. The best Student of the Year award is given to the final-year student.

Yoga Day

The Yoga Committee, constituted in 2015, has been ever since actively involved in spreading awareness about values of yoga, asanas, pranayama to promote healthy lifestyle among the students. The college celebrates **International Yoga Day** every year on 21st June with a large number of enthusiasts including students, teachers and non-teaching staff, attending the session with great fervor and joy. The Yoga practice sessions, talks are also organized by the yoga committee at regular intervals. The theme of this year’s Yoga-day was “Yoga for Self and Society”.

College societies, Centres and Clubs

Although Classroom learning is a vital component of students' life, nevertheless, the college has chosen overall development of young minds as its mission. To this end different departments organize academic and extracurricular activities like quiz, debates, presentations, writing competitions etc. at the inter-college level. Both the English and the Hindi departments have separately instituted a running trophy each for inter-college debate competitions. The Department of Economics organizes an annual inter-college quiz competition **Jigyasa** for their running trophy **Kautilya**.

Departments also organize various seminars, workshops and lectures inviting eminent academicians and experts from different fields, with a view to enabling the students to interact with them, and getting a good insight of the work/professional sector for which they are preparing themselves. Intellectual stimulation apart, interdisciplinary cultural and sporting activities etc., intersperse the academic curricula to channelize the creative and physical talent and potential of students. There are ample opportunities for them to compete at the inter-college, intra-college and national levels

Placement cell

The placement Cell of Dr. Bhim Rao Ambedkar College, known as “Catalyst” works for bringing recruiters to the college for offering job and internship opportunities to the students. The placement cell also works to strengthen the skill set of the students by organizing a series of workshops and interactive talks. The students get opportunities to learn from the experiences of industry experts and trainers. The services of the placement cell are open to students across all disciplines. Counselling Committee

The Counselling Committee of Dr. Bhimrao Ambedkar College, University of Delhi, is a dedicated team of teachers and students committed to promoting the mental health and well-being of students. Established to provide support and guidance, the committee has put 'Counselling Help Box' referred to as 'Nidaan Petika' at various places in college to create a safe and inclusive environment where students can freely discuss their concerns and receive appropriate counseling services. Through various events, workshops, and individual sessions, the committee aims to empower students to navigate their academic and personal lives with confidence, resilience, and a growth mindset.

The Committee organized several events during the 2023-2024 academic year. These events included a webinar on "You and Your Mental Health Matters" by Miss Aditi Tiwari on September 10, 2023, followed by "Suicide Prevention Day" on September 11, 2023, and "Suicide Prevention Week" from September 15, 2023. Another webinar, "Celebrating the Power Within", was conducted by Miss Aditi Tiwari on October 14, 2023. Additionally, the committee organized "Mental Health Day" and a Career Fair on February 27, 2024, which featured guest speakers, interactive sessions, and stalls from esteemed colleges and institutes. These events aimed to promote mental health awareness, provide career guidance, and support students' overall well-being.

National Cadet Corps (NCC)

The College offers National Cadet Corps (NCC) Army Wing (Boys & Girls) and NCC Naval Wing to their students. The NCC wing of the college is very popular in Delhi University. NCC develops discipline, personality, leadership, punctuality and responsibility among NCC Cadets through rigorous physical training, adventure activities, and regular drills. NCC also develops feeling of national integration by bringing together cadets from diverse background promoting mutual respect and a sense of unity. Additionally, NCC cadets can enhance their career prospects in the Indian Armed Forces, where NCC 'C' certificate holders receive preferential treatment in recruitment. Under the guidance and motivation of the fully trained and dedicated Associate NCC Officers and caretaker, students of the college are opting for NCC and actively participating in various camps organized by NCC unit and adventure sports including rock climbing, mountaineering, para sailing and rafting etc. The main

purpose behind this endeavor is to build a healthy, disciplined and committed team of NCC cadets. The overwhelming participation of our cadets in Prime Minister Rally and Republic Day Parade and the other number of camps are well recognized by the NCC Directorates. The team of the faculty-in-charge of the NCC organizes the annual NCC festival with the name “Lakshya” every year. (Lt. (Prof.) Rajbir Vats, Associate NCC Officer, Dr. Anju, Caretaker and Sub/Lt. CULTURAL SECRETARY

Cultural societies in college play a pivotal role in shaping a well-rounded student experience. These societies provide a platform for students to explore and nurture their talents beyond academics, fostering creativity, teamwork, and leadership skills. They also offer a sense of community and belonging, helping students to connect with like-minded peers and build life-long friendships.

At BRAC, the cultural landscape is vibrant and diverse, with seven dynamic cultural societies: dramatics, music, Indian classical and folk dance, western dance, fashion, creative and writing, and photography. Each society excels in its domain, contributing to the rich cultural tapestry of the college.

In the academic year 2023-24, the societies have achieved remarkable success: the dramatics society with 7 wins, the music society with 10 group wins and several individual accolades, the Indian classical and folk dance society with 20 wins, the western dance society with 3 wins, the fashion society with 15 wins, the creative and writing society with over 40 wins, and the photography society with 7 wins.

A highlight of BRAC's cultural calendar is CHETNA, an annual event where the seven societies celebrate talent and creativity. CHETNA showcases top performances and artistic expressions, providing a platform for students to excel and compete. This event

highlights diverse skills and fosters unity and collaboration, enriching the overall student experience at BRAC.

ENACTUS

ROUND THE YEAR ACTIVITIES

Enactus BRAC, founded in 2017, is a dynamic student team dedicated to creating positive change through entrepreneurial solutions. We currently have three projects under us:

- Kumbhkaar- Project Kumbhkaar empowers traditional artisans, specifically potters, by facilitating online sales through our dedicated website. Additionally, our "Jal Jeewan" initiative utilizes G-filters to provide clean water to underprivileged communities and animals in shelters.
- Roohaniyat- Project Roohaniyat champions sustainability, offering a B2C skincare brand that empowers the LGBTQIA+ community.
- Nirmaan- Project Nirmaan recycles billboard waste into office supplies such as L- shaped folders, Planters, Pencil stand etc taking a step to save the environment.

Enactus BRAC made a remarkable debut at the Enactus India National Exposition'23 Semi finals, "Kumbhkaar" which secured its position as top 19 among 78 colleges across India under mature stage and "Roohaniyat" as top 20 among 78 colleges in early stage.

Our initiative, Daan Utsav brought joy with donations and drives, earning a Social Responsibility Award from the Bhumi Foundation. We received invitations from esteemed colleges across Delhi University, including LSR, Hindu, JMC, Ramjas, VIPS, SGTB Khalsa, Vivekananda, KMC, JIMS, Shyam Lal, and Kalindi, and Corporates such as Boston Consulting Group (BCG) to showcase our products. This year, January and February were filled with Business-Plan Competitions where our ProjectNirmaan won at Miranda House, National Delhi Institute of Management and Dyal Singh College. On 22nd April, 2024, we hosted our first annual flagship event: CONVECTUS. Shark Tankpitchers namely, Ms. Geetika Gupta Anand, Mr. Piyush Chhabra and Mr. Agnim Gupta were invited to serve as our judges

ECO Club

General Introduction: The Eco club is one of the most vibrant clubs with 300 plus students. They have been organised into groups taking care of

- a) Herbal Garden,
- b) Rose Garden
- c) Social Media handles
- d) Waste management
- e) Landscaping.

In this club we make sure that the ecosystem of the college is functioning well; for this we have taken various initiatives like cleanliness drives, managing herbal garden, observing important days like World Water Day, Earth Day, Environment Day. This committee is being guided by the directorate of Higher education. The convener is the nodal officer for the monthly plantation report to the DHE. There are many agendas that need to be accomplished like, paper recycling system, vermiculture, composting, E-waste management and landscaping of the college. These activities are being planned and executed through a team of teachers from Geography, Social Work, Environmental Sciences and Economics.

DR. BHIM RAO AMBEDKAR COLLEGE
2024-25

Dr. Bhim Rao Ambedkar, one among India's most radical thinkers, transformed the social and political landscape in the struggle against British Colonialism, by making the downtrodden politically aware of their own situation. Ambedkar famously said to Dalits that bears immense importance till day-“Educate, Agitate, and Organise”.

He laid a great emphasis on education, especially where it was traditionally denied. In fact, he is known to have said once that education was more important than Temple entry for the downtrodden. He saw Education as a potent tool that could equally empower every citizen to build an egalitarian society and to help break the age-old restrictive shackles of discriminatory social practices.

As a college bearing his name, we continually strive to emulate his vision and help empower the future generation to build a holistic, inclusive, and progressive society of Modern India.
