About the Project

Health benefits of Millets is a project of Dr. Bhim Rao Ambedkar College in collaboration with Aditi Mahavidyalaya, DU, Department of Social Work and Department of Chemistry of University of Delhi. The project is sponsored by Indian Council of Social Science Research (ICSSR) under the short project call for 6 months.

The project aims to assess the awareness of health benefits of millets and promote consumption of millets among youth in Delhi NCR. The project will generate interest among youth to explore more about millets, give them innovative recipes to replicate at home, take the message to the family increasing the likelihood of millet consumption. This will directly contribute to the goal of international year of millets 2023.
