ALUMNI RESOURCE DIRECTORY

2017

Message

It is a matter of great pride for the College that our Department of Social Work is bringing out Alumni Resource Directory by collecting and compiling student information since the first batch. Such a Directory covering the career profile and achievements of the alumni is the precious treasure for an institution like ours. This helps not only in recalling students' contribution to their Alma Mater but also connects us to the rich resource to encourage mutual exchange of relationship with the College. This exchange can contribute to the career path of our current students and further strengthens the functioning of the Department through value addition and improving the quality of education.

I congratulate the Teacher-in-charge (Dr. Tushti Bhardwaj) and Dr. Ravindra Singh (Field Work Coordinator) and their team for their efforts put in to bring out this piece of work.

Since the College progress is also integrated to the impact of alumni, I will be happy to see you all further growing to the exciting positions and succeeding in your future endeavours. You will be happy to know that during the last few years, the College has reached new heights as already pointed out in my message in the Directory of the College Alumni Club. But we still have many new and challenging goals to achieve, for which we look forward to work with you and seek your valuable involvement in the College corporate life.

Best Wishes,

Dr. G.K. Arora
Principal

I am pleased to know that Department of Social Work of our College took this initiative of bringing out exclusive Alumni Directory of their Department. Social Work being a professional course necessitates the task of being connected with its well-settled alumni in various government welfare departments, industries and NGOs in India as well as abroad. I sincerely acknowledge the efforts of Dr. Tushti Bhardwaj for bringing her Department's alumni closer. This collaboration with alumni would certainly help our young students to shape their career better.

I am happy that Department is organising a Program on 'Career and Placement Guidance' with the help of its alumni on the Annual Alumni Day of the college, i.e. 5th Feb, 2017. This event will provide an opportunity to interact, exchange ideas, share experiences and learn from each other about the best practices of social work. The event will enhance and bring clarity among students about scope and avenues of social work profession.

I am sure, this Directory will connect not only the college to its rich alumni but also the young students for whom numerous organisations will be now accessible for initiating their career. I extend my best wishes to all the faculty members and students of Social Work Department and convey my heartfelt thanks to all alumni for their valuable contribution to this work.

संदेश

मुझे खुशी है कि कॉलेज का सोशलवर्क डिपार्टमेंट पुराने विद्यार्थियों को एकत्रित करने में अपनी अहम भूमिका निभा रहा है। यह एक अच्छा प्रयास है, क्योंकि सभी विभाग यदि अपने-अपने स्तर पर इस तरह की पहल करेंगे तो कॉलेज के पुराने विद्यार्थियों को और ज्यादा एलुमनी क्लब के साथ जोड़ा जा सकेगा। कॉलेज के उन विद्यार्थियों के बारे में भी और ज्यादा जानकारी प्राप्त हो सकेगी जो विभिन्न क्षेत्रों में एक अच्छा मुकाम प्राप्त कर चुके हैं। इसके लिए मैं विशेष रूप से हमारी कॉलेज की एलुमनी और कॉलेज की ही वर्तमान में शिक्षिका डॉ. तुष्टि को भी बधाई देना चाहूंगा, जिन्होंने इस तरु पहल की। उम्मीद है उनके इस अथक प्रयास से हम कॉलेज के पूर्व छात्र-छात्रों के बारे में और अधिकांश जान सकेंगे। जो भविष्य में कॉलेज के भी काम आएगा।

From Editor's Desk

Alumni are the treasure for an educational institution since they are the torch bearers for young generations. The idea of preparing Alumni Resource Directory for Social Work Department was conceived when we were preparing Departmental presentation for National Assessment and Accreditation Council (NAAC) which asked us about the achievements of our Alumni. Department then collectively decided to prepare a directory to connect with all our valuable alumni and me being

one of the alumna volunteered to take the lead. We had the target of reaching 595 alumni spread through 18 batches starting since first batch of 1995 till the batch leaving college in 2015. I am happy to share that we could succeed reaching to 235 alumni (with 40 % response rate) and presenting information about their career profile in this directory. Compilation of this directory was an indelible experience as learning about the achievements of alumni made me feel proud about my Alma mater. This directory has brought us closer to our reputed Alumni in different parts of the Country as well as abroad which will benefit our current students in shaping their career.

The task of reaching to elder alumni was difficult but digital age was a viable answer to it. We approached our alumni with a questionnaire through what's app, facebook, email, goggle survey form and keep on developing our chain using snow-ball technique. This could not have been possible without our alumni volunteers joining hands with us. I am thankful to Mr. Prabhat Kumar, Ms. Kushboo Gupta, Mr. Tabish Ahsan, Mr. Ovais Sultan Khan, Ms. Bharti Goyal, Ms. Sakshi Kaushik, Ms. Kamini Sharma, Mr. Shubham Kumar, Mr. Tara Chand, Ms. Ruchi Mishra and Ms. Bhawna Sagar who despite being engaged in their professional life volunteered to help us connect with the wider group of alumni. My colleagues Dr. Nita Kumari, Dr. Swati Bist, Dr. Seema Rani and Mr. Kumar Satyam deserve special thanks for their fervent coordination throughout this work. I extend my heartfelt thanks to all our alumni who took their time and responded to our request for contributing to this directory. I am thankful to our Principal Dr. G. K. Arora for his continuous encouragement and all administrative support in this endeavour. I also thank Dr. S. S. Chawla, Convenor Alumni Club of the college and Mr. Girish Nishana, President, Alumni Club for their appreciative and encouraging gesture throughout this work.
