Let me also underline that college derives a lot of its **strength from students**, and what they do and carry from here onwards. They are our **true assets** and we must collectively work for their future advancement and transform them into deserving Human Resources and decent law-abiding citizens, to contribute to nation-building. I wish them all the best in their future engagements in life. All my colleagues from the teaching and non-teaching including the Sectional heads and Caretakers deserve appreciation for all the good that you see in the college.

Presenting this report in the presence of **Hon'ble Guests**, though a moment of pride, is also a moment of introspection and I take this opportunity to request my colleagues to join me in taking stock of our achievements and to recall what is still left and how it should be done. Negativity, anti-college activism and unethical approaches have no place in the workplace, as the world of higher education has undergone a massive change now.

Let us **pledge ourselves and join together** to carry forward the college and build up a better future for the younger generation. It will be good for all of us. Before I close, let me again, on behalf of the college family and the Governing Body, **express my gratitude to all the Hon'ble Guests** with the submission that the College always needs your support, guidance, and blessings to reach new heights.

Thank you all again,

**Enactus BRAC**, founded in 2017, is a dynamic student team dedicated to creating positive change through entrepreneurial solutions. We embody a commitment to social empowerment, environmental responsibility, and innovative change. It currently has three projects under it:

**Kumbhkaar**- Project Kumbhkaar, uplifts traditional artisans, particularly potters, through skill development and community engagement.

**Roohaniyat**- Project Roohaniyat champions sustainability, offering a B2C skincare brand that empowers the LGBTQIA+ community.

**ScribeAid**- Project ScribeAid, a forthcoming initiative, promises further positive impact by assisting differently-abled students at the University of Delhi by providing them with dedicated scribes.

Enactus BRAC made a remarkable debut at the **Enactus India National Exposition'23 Semi finals**, captivating the audience with their impactful projects, "Kumbhkaar" which secured its position as top 19 among 78 colleges across India under mature stage and "Roohaniyat" as top 20 among 78 colleges in early stage. Anikaa Sood, Prisha Batra, Sidra Yamin and Krishna Bhatia showed notable work throughout.

The involvement of Enactus BRAC in "**Daan Utsav**" organized by **Bhumi** NGO was a testament to our dedication for making a meaningful impact. Through the hair donation drive in collaboration with Makeover Tree organized with the help of Diya Menghani, we supported breast cancer patients, fostering awareness and solidarity. Additionally, our initiatives extended to underprivileged communities in the form of donations held at Sabki Pathshala, providing them with essential items like clothes and stationery. Furthermore we contributed to the well-being of our college community, by donating sanitary napkins to the women's medical unit. This drive was carried out by Vansh Vij. Enactus BRAC was also awarded "Certificate of Social Responsibility" for the same.

**Pottery Workshop**: Enactus hosted a live pottery workshop on campus. Laughter, clay, and creativity turned the event into a memorable experience for everyone. Abhay Thakur helped potters from Banjara Market by providing a stage to show their talent.

Project Roohaniyat, led by Nima Gurung, Harshita Purohit, and Kartikay Ahluwalia, clinched the 2nd place in HEADWAYBIZ, a B-Plan competition.

**Madhubani art:** Enactus partnered with JM Institute of Speech and Hearing to delve into Madhubani art. This collaboration not only celebrated the vibrant culture of Bihar but also fostered a unique blend of art and social impact. Abhivardhan Singh Rathore brought this glorious collaboration under our roof.

सांस्कृतिक महोत्सव में मुख्य अतिथि के रूप में डीयू के सांस्कृतिक परिपद के डीन प्रो. रविंद्र कुमार ने उक्त संबोधन दिया। उन्होंने विद्यार्थियों को संबोधित करते हुए कहा कि पें, माइक और कैमरा का प्रयोग करना

संस्कृति सिखाती है। डीयू के कुलपति ने कल्चर काउंसिल को पुनर्जीवित कर दिया है। चाणक्य, जादू शो, पेंटिंग और फोटोग्राफी कार्यशालाएं इसके उदाहरण हैं। अपने धर्म, संस्कृति और अर्थव्यवस्था को किस तरह साथ लेकर चल सकते हैं, ये हमें दक्षिण भारत के लोगों से सीखना चाहिए। पिछले कुछ समय से धर्म और संस्कृति को साथ लेकर चला जा रहा है वो आने वाली पीढ़ियां को उदाहरण बनेगा।
