## Message from Principal's Desk

**Prof. Sada Nanad Prasad**

Principal (OSD)

I welcome you all with a blissful morning today!

Distinguished Guests, esteemed former colleagues, alumni members, media persons, dedicated and committed members of our teaching and non-teaching staff, and dear students, it is with great pride & immense pleasure, that I extend a warm welcome to each one of you to commemorate the **34<sup>th</sup> Annual Day** of Dr. Bhim Rao Ambedkar College. You are the pillars of this College to this bunch of teaching and non-teaching staff.

Together, you have created the conditions for successful students, through your unwavering commitment and tireless efforts in nurturing the potential of each person. You are the heart of this institution. Dr. Bhim Rao Ambedkar College's legacy takes each of your achievements – whether academic, cultural, or personal. Recall that, every step we take forward takes us closer to Dr. Bhim Rao Ambedkar's dream which our great namesake envisioned in his life towards equality, perseverance, and excellence. This day is a day to celebrate, and to reflect and recommit ourselves to learning, and to growth, and to unity. Let us continue to create a vibrant, inclusive, and inspiring environment for all together. This occasion serves not only as a celebration of our collective accomplishments but also as a heartfelt recognition of the steadfast commitment, relentless efforts, and shared enthusiasm that everyone in our dynamic community brings to our institution. Together, we have achieved remarkable milestones and fostered a legacy of excellence, inclusivity, and inspiration.

We are deeply honoured by the presence of the Hon'ble Chief Guest, **Smt. Vijaya Bharathi Sayani, Acting Chairperson, National Human Rights Commission**. She has dedicated herself for more than 45 years in active social work, she has a deep understanding of societal issues that are related to but not limited to, women, children, Indian education and culture.

We are equally privileged to welcome the **Distinguished Guest-Mohd. Imran Raza, IAS officer, Jind, Haryana**, our **Guest of Honours- Dr. Madhuri Sahasrabudhe, Chairperson, Foundation for Holistic, Development in Academic Field**, and **Mr. Naveen Gulia, Karma Yogi an Ex-Army Officer**, and we are honoured to have with us **Prof. Pankaj Tyagi, Chairperson of the Governing Body**.

We are pleased to present the Annual Report 2024-25. It provides an opportunity to recognize and celebrate the accomplishments of students, faculty, staff, alumni, and other members of the college community. The report highlights the notable achievements, awards, special initiatives, and events organized by the faculty and students throughout the year.

It is a great privilege and a matter of pride for me to welcome you all on behalf of the College family as well as on my behalf on this occasion of the Annual Day and Annual Prize Distribution Ceremony of our College. Thanks all for being along for this ride once more. Wishing everyone a very memorable and enjoyable Annual Day.

**We welcome you all here!**

## Message from the Chairman

**Prof. Pankaj Tyagi**

Chairman

Dr. Bhim Rao Ambedkar College

Dear Respected Faculty, Staff, Students, and Supporters,

It is with great pride and appreciation that I am also participating the 34<sup>th</sup> annual day of Dr. Bhim Rao Ambedkar College for the year 2025. This year has exemplified our steadfast dedication to academic excellence, social justice, and the comprehensive development of our students, reflecting the visionary principles of Dr. Bhim Rao Ambedkar College. Throughout the past year, we have witnessed outstanding accomplishments across multiple areas. Our academic programs continue to set high standards, with students achieving remarkable success in their studies, research, and extracurricular pursuits. The addition of new courses and the enhancement of existing offerings have further fortified our curriculum, ensuring our students are well-prepared to navigate the challenges of an ever-changing world.

We have also made significant progress in cultivating an inclusive and diverse campus atmosphere. Our efforts to promote equity and empowerment have enriched our college community and sparked positive change beyond our institution. The commitment of our faculty and staff to nurturing talent and guiding students toward their aspirations has been crucial to these successes. Reflecting on the past year, we must also look forward with renewed resolve. The future presents vast opportunities, and we are dedicated to embracing innovation, collaboration, and sustainability in all our initiatives. Together, we will continue to honor the legacy of Dr. Bhim Rao Ambedkar College and work towards creating a brighter, more equitable future for everyone.

I would like to express my sincere gratitude to all who have contributed to the success of our institution—our faculty, staff, students, alumni, and partners. Your hard work, enthusiasm, and commitment are the driving forces behind our achievements. Let us advance with the same spirit of excellence and purpose as we continue to develop the leaders of tomorrow.

**Best wishes, we welcome you all here!**

**Dear Ma'am, we welcome you here!**

# Profile of the Distinguished Guest

## Mohd. Imran Raza, IAS

Deputy Commissioner, Jind, Haryana

Mohd. Imran Raza holds a Bachelor's degree in Social Work from Dr. Bhim Rao Ambedkar College, the University of Delhi, a Master's degree in Human Resource Management, from Jamia Milia Islamia University, and a Master in Public Policy from Jawahar Lal University.

He has also earned a PG Diploma in Corporate Law & Management from the Indian Law Institute Delhi.

He has worked as Sr. Executive Human Resources at Aviva Life Insurance Corp. Gurugram. He has worked as an Assistant Labour Commissioner with the Ministry of Labour and Employment, GOI. He got selected as an officer in Indian Administrative Services in 2015 and is now posted as a Collector in District Jind, Haryana.

**Dear Sir, we welcome you here!**

## Brief Profile of the Guest of Honor

### **Dr. Madhuri Sahasrabudhe**

Chairperson

Foundation for Holistic Development in Academic Field

Right from a young age, Madhuri Sahasrabudhe was socially inclined and righteous, having been raised in poverty by 2 very hardworking parents. Back in the 1980s, she participated in the Assam Andolan of ABVP and worked as a full-time worker in Latur. A few years later in the early 1990s, she worked to set up a school for tribal children in Itanagar (Shai Yari Vidya Niketan). Hundreds of tribal students gained access to quality education and a healthy learning atmosphere as a consequence.

After moving to Guwahati while working in the school as a teacher and seeing the plight of women suffering under their drunk husbands and victimized by ULFA, she started an NGO 'Swayampura'; which set up Self Help Groups (SHGs) in the handloom industry so the women of North Guwahati could become self-reliant and educate their children well. While working in AIRFORCE SCHOOL Pune as Principal she was awarded **Best Principal from Rotary Club**, Pune.

Most recently, Madhuri has been working towards a vision of integrating India & border states more tightly into the mainland. Her unwavering belief that 'when borders are safe, the country is safe, and when people staying in borders feel like an integral part of the country, the borders will be safe'; led her to launch FHDAF (Foundation for Holistic Development in Academic Field), an organization that works primarily with students from Jammu and Kashmir. To validate and further explore this concept, Madhuri undertook a road journey (self-driven) from Delhi to Myanmar passing through North East states in 2016.

In 2018, Madhuri, along with 3 other mothers went on a self-driven road journey from Delhi to London, covering 23657 kilometers and 20+ countries, meeting and discussing with mothers from a wide range of cultures. The response was overwhelming. In 2019 she organized an international conference on VASUDHAIV KUTUMBAKAM in which 32 mothers from 7 countries participated and got first-hand experience of the Indian family system and the mother's role in it. Madhuri was the leader and visionary of this mission.

For her commendable work, the UP-Government Tourism Department conferred on her **NARI SHAKTI SWAROOPA award**. She was also conferred **ADARSH MAHILA award by Legal Rights Council India**. She is now working towards a second 'Mothers on Wheels'; a trip through South East Asia and Australia.

**Dear Ma'am, we welcome you here!**

# About the College

Dr. Bhim Rao Ambedkar College came into existence in the year 1991 during the birth centenary year of Bharat Ratna Baba Saheb Dr. Bhim Rao Ramji Ambedkar. It celebrated its Silver Jubilee in the year 2016. It is a constituent co-educational college of the University of Delhi and 100% funded by the Delhi Government. Over the years, our college has become an important institution of learning and knowledge, Cultural and Sports activities.

It has an excellent infrastructure including a library, an auditorium, a health center, a spacious canteen, a bank with ATM, etc. The entire campus is under CCTV surveillance system with 96 cameras. It offers a range of co-curricular and extra-curricular activities that encourage to participate. Some of the unique student-friendly programs of the College include Yoga and meditation space, Open Gymnasium, Reflexology Path, Paper Recycling Unit, Cricket Academy and so on, which provide an atmosphere to facilitate holistic development and equip all students with the necessary life skills. The college has excellent human resources regarding qualified teachers and trained office staff.

The college holds the unique distinction of being the forerunner in launching four professional courses of the University namely:

B.A. (Hons.) Hindi Journalism and Mass Communication was introduced in 1994-95,

B.A. (Hons.) Social Work and B.A. (Hons.) Business Economics was started in 1995-96 and B.A. (Hons.) Applied Psychology was introduced in 2007- 08.

The college has the distinction of offering some Commerce courses like Human Resource Management (HRM) and Office Management and Secretarial Practice (OMSP). Apart from these courses, the College offers honours courses in Commerce, Economics, Geography, Hindi, and History in addition to B.A. Program in Political, Sanskrit, Urdu, etc. As per the policy of Delhi University, the College has implemented NEP 2020 and offered 18 and 17 courses for VAC and SEC respectively.

At BRAC, we prioritize classroom teaching and pedagogical innovation to provide an academically sound education. Our dedicated faculty members are committed to staying abreast of the latest developments in their respective fields, ensuring that our curriculum remains relevant and up to date. We foster an environment that encourages research, development, and innovation, extending learning beyond the confines of the classroom.

The College is quite sensitive to the needs of PwD students. Barcode signages have been fixed in front of each classroom and administrative sections for visually impaired students.

### ***Two other Centres are running in our college:***

- Non-Collegiate Women's Education Board (NCWEB)
- School of Open Learning (SOL)

The college has taken the initiative to start a Centre for Multidisciplinary Research, a Centre for Innovation and Skill Development, Faculty Development, and Students exchange programs with different Universities and Colleges of the country.

The college motto, 'Atto Deepo Bhava' which means 'Be your light', motivates all to work hard with dedication and integrity, to enlighten ourselves and contribute to society's welfare while driving strength from the teachings of Baba Saheb who saw education as a potent tool which could equally empower every citizen. It has a total student strength of 3474, it has 156 faculty members including Ad-hocs and Guests, and 79 supporting staff members in addition to the few outsourced staff.

## **PROSPECTUS COMMITTEE:**

Prospectus 2024-25 was formulated to showcase the infrastructural facilities, information about academics, and the existing clubs and societies of the college. The present generation of students being techno-savvy, a soft copy PDF prospectus was circulated among students through a QR Code on the day of new student orientation. The document contained a hyperlinked table of contents, with elaborate NEP-based information on Semesters -1 and II.

Guidelines are specific to DSCs, GEs, SECs, VACs, and AECs, the name of the respective papers, and the syllabi for semesters I & II, in each department separately.

To help students communicate with teachers, relevant information and teacher phone numbers in each department were made available to new students.

The efforts of the Prospects Committee have significantly contributed to enhancing the college's visibility and reputation, fostering a positive and welcoming environment for prospective students. **Thanks to Dr. Sunita Chaki, Convenor, Prospectus Committee.**

### **COMPUTER LAB DEVELOPMENT COMMITTEE:**

The College is fully equipped with IT facilities including four computer labs, Internet access, and multimedia projectors with interactive smart boards. The college has high-speed Internet connectivity with 250 Mbps fibre optics provided by the University of Delhi and Airtel 4G Home Wi-Fi connections for official emergency uses. Computer Labs are equipped with 5KVA x 3; 10 KVA x 1; 1 KVA x 1 and 2 KVA x 1 online UPS with 1hrs power backup for Computers, CCTVs, and Servers.

The entire college campus is being made Wi-Fi enabled for Students and staff. (As standby, 3 Wi-Fi routers are installed in the Admin Block and Media Block, respectively, for official uses.) The entire college campus is covered by 96 CCTV network cameras, including in the library, for the security of students, staff, and the college, with separate secured surveillance rooms for monitoring.

The college has established an IT Hub including 132 computers and 02 servers with the latest configuration. The college is in the process of purchasing 30 more numbers of Computers, 12 Printers, and Projectors for departments and students.

The college received 813 laptops for students and 20 laptops for teachers from the University of Delhi, which were subsequently distributed to the students and faculty members for their academic and practical etc.

To improve IT infrastructure and teaching methodology, the College has installed 22 multimedia projectors provided by Delhi University in the classrooms with 19 laptops to teach students it. For more user-friendly and informatics regarding academics, notices, etc. the college has redesigned the college website (drbramedkarcollege.ac.in). The college is currently in the process of making its student attendance system online. **Thanks to Prof. Ramashray Prasad, Convenor, Computer Lab Development Committee (CLDC).**

### **ECO-CLUB COMMITTEE:**

The Eco-Club Committee under the able leadership of Prof. Sangeeta Sharma Dhaor (Convenor) got approval (02.07.2024) for the installation of an EV charging point facility in the college with BSES-YPL (Yamuna Power Limited). The college will provide only space for installation and all expenditure incurred upon it will be the responsibility of BSES-YPL. The Eco-club has decided to develop 'Sanjivani Vatika' focusing on fruit tree plantation in a specified part of the college campus under the 'Ek Ped Maa Ke Naam campaign.' The Eco-club is organizing a plantation drive as a process instead of an event on a specific day. This process will start this 'Makar Sankranti' day. **Thanks to Prof. Jitender Saroha, Co-convenor of the Eco Club Committee.**

### **RED-RIBBON CLUB:**

The Red Ribbon Club of Dr. Bhimrao Ambedkar College conducted orientation and welcomed new members on October 16, 2024. The event served as an electrifying initiation into the club, revolving around introducing the structure and functioning of the society to the new members as well as informing them about their potential role in the society.

The event started on an enthusiastic note, where the gathering was greeted by the host. As a prayer for the program's success, Saraswati Vandana was sung. Thereafter, the principal, Prof. Sadanand Prasad, was provided a token of appreciation and gratitude followed by a speech on the auspicious event. Also, Surendra Chawla Sir and Rajbala Gautam ma'am (Co-Convenor) delivered a speech on their experience in the Red Ribbon Club as co-convenors.

The heads of the various departments then came upon the stage to introduce their departments as well as make their respective departmental member aware about their role in the society. The event was then followed by the screening of the Red Ribbon Club's very own first documentary on health-related issues and effects on LGBTQ people which was officially screened that day.

The event then took the turn and games were introduced to lighten the mood of the audience and increase engagement and bonding. The event was indeed enjoyable and entertaining as well as informative. The entire Orientation event turned out to be a success, all thanks to the collaboration between the organizers, speakers, and attendees, reflecting the vision of the Red Ribbon Club toward the holistic development of students.

### Awareness Drive and ground report

On 24 October 2024, the Red Ribbon Club of Dr. Bhim Rao Ambedkar College organized an Awareness Drive at Lajpat Nagar Market. The aim was to generate awareness among common people regarding various social and health issues pertaining to the contemporary world. Red Ribbon Club members were divided into two groups to cover a larger area in less time.

The response was very positive from the community. Shopkeepers, shoppers, and many youths came and participated actively. The high participation reflects the success of our initiative. As a token of appreciation, a red ribbon was tied around the wrist of the people, symbolizing a step towards a better world.

It also boosted our commitment towards social service and showed that initiatives of this sort were well-received in the community.

### Blood Donation Drive

On 11th November 2024, the Red Ribbon Club of Dr. Bhim Rao Ambedkar College, University of Delhi, in collaboration with GTB Hospital, successfully conducted a Blood Donation Camp and Awareness Program. The program was conducted to promote blood donation and educate students about its importance.

The Camp with an interesting awareness session by our special guests, Dr Richa Gupta (in charge of Blood Bank GTB hospital) addressed and spread awareness about the voluntary nature and importance of blood donation targeting the youth of our college. She shed light on the health and social benefits of blood donation, its role in saving lives, and busted misconceptions related to it. Her insights motivated students to contribute to this noble cause.

The blood donation camp received a very positive response, with many coming forward to donate blood voluntarily. Such a response reflected the seriousness of commitment toward social welfare among all members of this college fraternity. The campaign proved to be an event that, in turn, succeeded not only as a means of creating and spreading awareness but also earned substantial units of blood from the students.

### Project Sangam (Awareness about the health problem of the LGBTQ community)

The members of the Red Ribbon Club initiated to highlight the health concerns of one of the marginalized communities of the world, that is LGBTQ community.

Project Sangam is a project aimed at increasing awareness about the LGBTQ+ community, and their condition in India majorly focuses on HIV status, Blood donation scenario, and the real picture of their treatment in hospitals.

This project was divided into two approaches to awareness, firstly, the attempt to awareness took place on social media. This included sharing information to break the stigma and educate people about the LGBTQ community. Online Quiz (on social media) regarding the same was an attempt to increase the engagement of the people.

Secondly, an attempt to make a documentary was made where people belonging to LGBTQ and others shared their experiences and views on the topic of health, societal views, and challenges of the community.

This project was a shared attempt taken by the Red Ribbon Club members, community members, and youth to address and aware people of these issues.

The documentary was screened on October 16, 2024, in the college auditorium for the first time and later released on YouTube on 9th November 2024.

This documentary focused on the real-life experiences of these individuals from diverse backgrounds, emphasizing the major barriers they face in obtaining acceptance, recognition, and access to healthcare facilities. They were honest in speaking their truth and gave us an insight into their daily life during our team's interview.

A robust discussion about the stigma attached to these issues took place after the screening. The documentary's production was commended by both the students and the professors for its collaborative efforts. **Thanks to Dr. Nishi Sharma, Convener, Red Ribbon Club.**

## **EQUAL OPPORTUNITY CELL (EOC):**

The EOC has been stepping ahead to look after day-to-day matters related to PwD students and assure them equal access to various resources of the College along with the other basic amenities to be vigilant upon implementing the provisions of the Rights of Persons with Disabilities Act, 2016. More specifically, the initiatives of the EOC for the current session are as follows:

- Braille books for visually impaired students were made available in the library, and more will be purchased soon.
- Divyang students have democratically elected their representatives under the (EOC). The following Divyang students were selected/elected as their representatives: (1) Vishal Sharma (President); (2) Sagar Verma (Vice-President); (3) Chhaya Verma (Secretary); (4) Sajia Perveen (Joint-Secretary); (5) Bajrang Bali (Cultural-cum-Sports Representatives).
- An audio device (Daisy player) has been ordered for purchase, and it will soon be made available for visually impaired students, as they requested.
- Help The Blind Foundation (HTBF) in association with our college for close to a decade has been sponsoring visually impaired students by way of the scholarship program. The flagship program of the Foundation is Education, Mobility, and Employability Training (EMET) – a skills training program. It is a two-year program conducted at select colleges and offers courses in: (i) Computer: Foundation Course and Fundamentals of MS Office; (ii) English Communication; (iii) Orientation & Mobility (O&M) Skills; and (iv) Employability Skills – Analytical ability, Interpersonal relationships, etc. **Thanks to Prof. Atul Pratap Singh, Convenor, Equal Opportunity Cell.**

## **COUNSELLING COMMITTEE:**

### **Suicide Prevention Workshop**

On September 9, 2024, the Counselling Committee of Dr. Bhimrao Ambedkar College, University of Delhi, organized a Suicide Prevention Workshop that gave participants a comprehensive overview of the various aspects of suicide and mental health, as well as the reasons behind the majority of suicides. The occasion gave students a chance to learn more about the mental health risks associated with suicide.

Attendees were welcomed with excitement and expectation as the event got underway in a welcoming atmosphere. Speakers Shrinkhla Sahai and Nikhil Thiyyar entered the podium and began advising the students on suicide, being a serious global problem that affects people and communities all over the world.

The World Suicide Prevention Day theme for 2024-2026 is "Changing the Narrative on Suicide." This day is observed every year on September 10th to raise awareness of such a critical public health issue and to spread the word that suicides are avoidable.

The workshop included various interactive exercises. Students were instructed to inquire about the current mood of the individual seated behind them and were asked to express their thoughts about how they feel when they share the same with someone. Understanding Suicides, Case Studies, Suicide Prevention Model and Suicide Prevention First Aid were all included in the course. Students were taught to be able to recognize warning signs in themselves and others.

Awareness helps identify mental health struggles early, encouraging students to seek support before a crisis occurs. Understanding suicide prevention fosters empathy, reduces stigma, and creates a supportive community where students feel safe discussing their emotions. Being informed equips them with resources like hotlines or counselling services, ensuring they know where to turn in times of distress. By promoting open conversations, students can help prevent suicide, support their peers, and contribute to a healthier, more compassionate school environment that prioritizes mental well-being.

### Help Desk for Suicide Prevention

On September 17th, 2024, the Counseling Committee organized a Suicide Prevention Helpdesk to mark World Suicide Prevention Day. The initiative aimed to create awareness about mental health, reduce the stigma around seeking help, and provide immediate support to those in need.

The helpdesk was a hub of interactive activities, informative sessions, and resources, drawing significant participation from students and faculty members. It provided a safe space for open conversations about mental health and fostered a supportive environment on campus.

The day featured activities such as mindfulness exercises, stress-relief games, and an empathy circle where participants could share their experiences without judgment. Resources like pamphlets on coping strategies, helpline numbers, and suicide prevention tips were distributed. A pledge wall, where attendees wrote messages of hope, became a poignant symbol of the collective commitment to mental health awareness. The event saw over 50 participants, with many expressing gratitude for the initiative's impact.

This helpdesk not only raised awareness but also highlighted the importance of creating a caring community. Through its activities and outreach, the Counseling Committee successfully encouraged open discussions about mental health, leaving a lasting impression on everyone involved.

### Mental Health Workshop

On **October 10, 2024**, in honor of **World Mental Health Day**, the **Counselling Committee** of Dr. Bhim Rao Ambedkar College, University of Delhi, organized a session led by Professor **Anita Srivastava**, Counselling Committee Convenor, and Professor Sadanand Prasad, Principal. The session gave participants a broad overview of the various opportunities for advancing mental health advocacy, education, and awareness worldwide. The occasion gave students a chance to learn more about the significance of mental health and how to make significant lifestyle adjustments to promote a positive and healthy atmosphere for mental health.

The event started off in a welcoming atmosphere as guests were welcomed with excitement and expectation. Saraswati Vandana was performed in order to obtain blessings. For the success of the event, followed by the felicitation of the speaker, **Sundeep Katevarapu**, and the principal, **Prof. Sadanand Prasad**.

Dr. Sandeep Katevarapu, the speaker, has over seven years of experience as a teacher and ten years of experience in the fields of clinical and forensic psychology. In addition, he founded We Avec U Mental Health Organization and serves as its main managing director.

He gave a thought-provoking talk about the importance of leading a healthy lifestyle for mental health and the role that mental health plays in the workplace. World Mental Health Day's 2024 topic is: **"It's time to give mental health in the workplace more priority."** This subject emphasizes how crucial it is to support mental health and well-being in the workplace, acknowledge the effects of stress at work, and motivate companies to establish inclusive and encouraging work environments. To improve mental health, he also emphasized lifestyle modifications like brushing at night, breathing properly, cleansing the body, and adhering to ancient Indian customs. Students found the program to be highly interesting and educational because of the interactive exercises, brief brainstorming periods, and real-world examples of mental health issues.

### Mental Health Helpdesk

In commemoration of World Mental Health Day on October 10th, the Counseling Committee set up a vibrant and interactive Mental Health Helpdesk outside the auditorium. This initiative aimed to emphasize the importance of accessible mental health care in both academic and workplace environments. Designed to engage both students and faculty members, the helpdesk became a lively hub of creativity, connection, and awareness under the skilled coordination of Harshita Purohit, the student coordinator.

A variety of thoughtfully designed activity desks lined the venue, each crafted to promote mental well-being and foster a positive outlook. One of the most popular attractions was the Worry Boxes, where participants could anonymously write their concerns and symbolically dispose of them. This simple yet meaningful act encouraged individuals to let go of burdens in a safe and supportive space. Another highlight was the Shed the Stress Chart, where people boldly pasted notes about their bothersome thoughts, creating a collective display of courage and vulnerability. The interactive and cheerful Compliment Face-Off competition added an element of fun as participants competed to give their partners the most heartfelt praises, spreading joy and positivity throughout the event.

Adding a layer of exploration and self-discovery, a creatively designed Maze was set up, where each twist and turn offered tips on self-care, reinforcing the message that mental well-being is a journey. To ensure attendees left with a smile, positive affirmations were distributed, leaving a lasting impact of hope and encouragement. These activities, brimming with enthusiasm and engagement, brought life and movement to the occasion, making the workshop the highlight of the day.

The event not only succeeded in spreading awareness about mental health but also provided practical tools for self-care and stress management. The participation of both teachers and students reflected a collective commitment to creating a culture where mental health is prioritized and normalized. The Counseling Committee's efforts in curating such an impactful and engaging helpdesk reaffirmed their dedication to fostering a supportive campus environment for all.

## STUDENTS' COUNCIL ADVISORY COMMITTEE:

The Students Council Advisory Committee (2024-25) conducted an election for the Students Union of the college, for the first time after COVID-19, on 25 September 2024. The Elections were held for all four posts – President, Vice-President, Secretary, and Joint-Secretary. As per college policy, randomly the post of Secretary was reserved for a female candidate. The counting of votes was delayed due to a court case for the defacement of property during the DUSU elections. The committee submitted photographic evidence that this problem was minimal in the case of our college and posters and banners were as per election norms. Finally, as per the verdict of the Hon'ble Court, the counting of votes in a transparent manner was conducted on 19 November 2024. The following candidates were declared elected for the **Student Union 2024- 25** – (i) **Harsh Dedha (President)**; (ii) **Pankaj Kumar Gupta (Vice President)**; (iii) **Nisha (Secretary)** and (iv) **Ankit Kasana (Joint Secretary)**. The cultural committee following due process forwarded the name of **Priyanshu Dolui as cultural secretary** and the sports committee of **Dhairya Gupta as Sports Secretary**. The Committee will conduct the Oath Ceremony and Freshers Welcome Function on 27 January 2025. **Thanks to Prof. Jitender Saroha, Convenor, Students Council Advisory Committee.**

## SEC AND VAC COMMITTEE:

### Roles of the Committee

The SEC and VAC Committee of the college plays a crucial role in managing and facilitating the selection of SEC (Skill Enhancement Courses) and VAC (Value-Added Courses) for students. The committee ensures that the process is streamlined and accessible for all students while maintaining fairness and efficiency.

The efforts of the SEC and VAC Committee, led by Convenor and supported by committee members Dr. Rakesh Yadav, Dr. Satyam, Dr. Anju, Dr. Ritu, and Dr. Sakshi, have been instrumental in achieving these objectives and ensuring a student-friendly process.

### Initiatives Undertaken by the Committee

- Provided Google Forms to students for selecting their preferred SEC and VAC subjects.
- Utilized specialized software to manage and allocate course choices effectively, ensuring subject limits are adhered to.

- Implemented measures to eliminate enrolment limits for SEC and VAC courses, allowing all students to participate in their chosen subjects without restrictions.

### Outcomes of the Committee

- Successfully provided every student the opportunity to choose their preferred SEC and VAC subjects.
- Enhanced accessibility and transparency in the course selection process through the use of digital tools.
- Ensured that no course had enrolment restrictions, fostering an inclusive learning environment.

*Thanks to Prof. Deepali Jain, Convenor and Nodal officer, SEC and VAC Committee.*

## WASTE MANAGEMENT COMMITTEE

The Waste Management Committee of our college, under the convenorship of Dr. Neelam Gupta and co-convenorship of Ms. Seema Sodhi, has been actively working to implement sustainable waste management practices across the campus. With the collaboration and coordination of the committee members, several impactful initiatives have been undertaken to ensure a cleaner and greener campus environment.

### Key Activities and Achievements

#### 1. Collection and Disposal of Paper Waste:

- The committee meticulously collected old assignments, test papers, and projects accumulated over the years from staff rooms, departmental offices, corridors, lockers, and library archives (including old newspapers and administrative records).
- A total of approximately 69 quintals of paper waste was gathered during this initiative.
- The college registered with MSTC (Metal Scrap Trade Corporation), and all the collected paper waste was uploaded on the Government e-Marketplace (GeM) portal for auction.
- The total revenue generated from the auction was approximately ₹1,41,000, contributing significantly to the college's sustainability initiatives.

#### 2. Locker Identification and Allocation:

- To optimize the utilization of staff lockers, the committee initiated the process of numbering lockers to trace unidentified or unutilized lockers.
- This effort has ensured that vacant lockers can now be allocated to new faculty members searching for storage space.

#### 3. E-Waste Collection and Disposal:

- As a next step, the committee has started the process of collecting e-waste from different departments, administrative offices, and other areas of the college.
- The e-waste disposal process will follow proper protocols to ensure environmentally friendly and sustainable handling of electronic waste.

### Future Plans

#### 1. Expanding E-Waste Management:

- The committee aims to expand its e-waste management program to cover all areas of the college, including student and staff contributions, ensuring responsible disposal and recycling of electronic waste.

#### 2. Sustainable Practices Awareness:

- Organize workshops and seminars to educate students and staff about sustainable waste management practices, emphasizing segregation, recycling, and responsible disposal.

#### 3. Green Initiatives:

- Explore waste-to-energy conversion methods for biodegradable waste and strengthen composting practices on campus.
- Collaborate with external agencies to enhance the scope of waste management and sustainability programs.

## Impact and Recognition

The efforts of the Waste Management Committee have not only contributed to maintaining a cleaner and more organized campus but also demonstrated the college's commitment to environmental responsibility and sustainability. The successful registration with MSTC and effective use of GeM for auctioning waste paper sets an example of efficient waste utilization for other institutions.

Moving forward, the committee remains dedicated to innovating and implementing sustainable waste management practices that align with the college's mission of environmental stewardship and social responsibility.

*Thanks to Dr. Neelam Gupta, Convener, Waste Management Committee.*

## DISCIPLINE COMMITTEE

Introduction The Discipline Committee of Dr. Bhim Rao Ambedkar College has consistently worked towards fostering a safe, respectful, and conducive environment for learning and growth. Under the guidance of our esteemed Convener, Dr. Kamlesh Sharma, and with the unwavering support of our Principal, Prof. Sada Nand Prasad, the committee has successfully implemented measures to uphold discipline within the college premises.

### Objectives of the Discipline Committee

# DEPARTMENTS AND THEIR ACTIVITIES

## DEPARTMENT OF BUSINESS ECONOMICS:

The Department of Business Economics had a dynamic and eventful year 2024 which was marked by numerous initiatives aimed at academic enrichment, skill development, and holistic growth. Below is a summary of key activities and achievements:

### Health Awareness Programme

On 13th March 2024, Department, *in collaboration with the Red Ribbon Club*, organized a health awareness programme focusing on HIV, tuberculosis, and blood donation. Esteemed speakers such as Mr. Bishnupada Goldar, a retired central government officer, and Dr. Geetanjali Sharma, a public health consultant, highlighted the importance of preventive healthcare, early detection, and the significance of blood donation. The session saw active student participation during interactive Q&A segments.

### Workshop on Vedic Mathematics

In celebration of  $\pi$  Day on 14th March 2024, Department *partnered with Mathematics Department* to host a workshop on Vedic Mathematics. Renowned trainer ; Deepak Vashistha demonstrated ancient Indian mathematical techniques to simplify complex calculations. The hands-on sessions enhanced students' problem-solving skills and made mathematics engaging and accessible.

### Radiance 2024: Annual Departmental Fest

The Department's flagship event, Radiance 2024, was held on 8th and 9th April 2024. The fest featured competitions such as case study challenges, UN model debates, company logo design, and Nukkad Natak. Over 50 teams and 800+ students participated in the event showcasing creativity and competitive spirit.

### Career Orientation Programme and Peace Club Launch

On 11th May 2024, a career orientation programme was conducted by Mr. Rajeev Verma, a distinguished alumnus from TCS. for the graduating batch of 2024. His insights on career planning and professional growth were highly valued. The event coincided with the launch of the Peace Club, emphasizing the promotion of harmony and global peace.

### Industrial Trip to Haridwar

From 30th September to 2nd October 2024, Department organized an industrial trip to Haridwar. The students visited the Patanjali Manufacturing Plant and the Automat Group of Industries, gaining exposure to production processes, automation technologies, and quality control. Cultural experiences, such as witnessing the Ganga Aarti, added a spiritual dimension to the trip. The visit concluded with participation in the Gyankumbh Haridwar programme at Dev Sanskriti Vishwavidyalaya, themed "Education for a Self-Reliant India."

### Orientation and Bond-Building Session

An orientation session for the freshers was held on 15th November 2024. The session, was led by Dr. Ananya Ghosh (Dean and Head, Dept. of Finance and Business Economics, University of Delhi) along with Dr. Sunil Kumar (Assistant Professor, Dept. of Finance and Business Economics, University of Delhi), and corporate guest Mayur Rastogi (Cognizant). The guests while welcoming the students of new batch also encouraged and guided them in their future academic path. The session also saw student activities and discussions with guests on different topics of interest. **Thanks to the TIC, Dr. Sunita Chaki, Department of Business Economics.**

## DEPARTMENT OF COMMERCE:

The Commerce Department organized not only formal orientation and counseling sessions but also frequent classroom-based one-to-one problem-solving approaches to help students better understand the

NEP structure. Every 15 days, a small workshop was conducted where individual concerns of first-year students were addressed, significantly reducing their anxiety through such efforts. Additionally, the Commerce Department has established an in-house placement committee to enhance placement opportunities for students. This academic session, Our Commerce Society, Vyavsaaye adopted a proactive approach, working closely with faculty members to drive growth not just for the society but for the entire Commerce

Department. The team launched the college's first-ever society website, showcasing the Commerce Department and enhancing our digital presence. It introduced the Research and Content Department to strengthen our intellectual foundation and organized an inclusive orientation session for the entire department. Vyavsaaye played a key role in managing the World Environment Summit 2024 under the guidance of our TIC Dr Arti Dhingra and Dr. Anil Kumar. Additionally, it formed official collaborations with over 30 societies from other colleges, significantly boosting our network and reputation. For the first time, we are spearheading the organization of a career fair for the entire college, marking a milestone in our journey toward institutional development and excellence. **Thanks to Dr. Arti Dhingra, TIC, Commerce Department, and her team.**

## DEPARTMENT OF ENGLISH:

The Department of English, Dr. Bhim Rao Ambedkar College, remains committed to the highest levels of academic integrity and a scholarly passion for the teaching-learning process, working relentlessly under the dynamic stewardship of Teacher-in-Charge Dr. Tamal Dasgupta, has been actively involved in the academic betterment of the college during the academic session 2024-25.

The Department of English organized an Orientation session for BA Program first semester English Minor and Major students on 4 September 2024 (venue T-3) which was attended by the English Department faculties along with student volunteers from the English Literary Society (Wordsmith). This Departmental Orientation helped all the new students of the BA Program English to prepare their mindset for studying English literature, providing them with detailed information about the English Literature syllabi of DU and also motivating the interested students to opt for an English Major.

The Department of English held a stimulating literary session of invited lectures on 18 November 2024 in the College Auditorium on Gothic Literature and Dystopian Literature respectively by Professor (Retired) Sherina Joshi, ex-faculty of English, Deshbandhu College, Delhi University, and Ms. Sushma Jha, Asst. Professor of English at IMS Ghaziabad and ex-student of DRBRAC. This was a proud moment for the Department of English (and the entire BA Program community of DRBRAC), as Ms Sushma is an alumna of the BA Program English Discipline of our college, and was the topper of the 2020 batch.

The Department of English organized a Workshop on Creative Writing and Essay Writing in the College Auditorium on 27 November 2024, in this workshop, all the student participants learned to master the expertise and craftsmanship of creative writing and essay writing, each participant successfully wrote a creative piece and/or an essay on any one of the given topics.

In this academic session 2024-25, the Department of English passed a unanimous resolution on its long-standing demand and dream for the introduction of English Hons. and submitted a memorandum for consideration by the authorities, and eagerly looks forward to its rapid realization.

Last but not least, the Department of English is proud to report that one of its veteran faculties, Sanjeev Kumar was awarded PhD in English from Jaayoti Vidyapeeth Women's University, Jaipur in 2024, whereas its youngest faculty, Ruhina Ansari was recently awarded MPhil in English from Delhi University in December 2024. **Thanks to the TIC, Dr. Tamal Dasgupta, and his team.**

## DEPARTMENT OF ENVIRONMENT STUDIES:

### 5th World Environmental Summit 2024 FROM 16TH- 18TH NOVEMBER 2024:

Our college has organized the 5th World Environment Summit 2024 on 16th to 17th November 2024 at the NDMC Convention Centre, Sansad Marg, New Delhi and on 18th November 2024 at Hansraj College, North Campus Galgotias University, Greater Noida in collaboration with Environment and Social Development Association (ESDA) Delhi, G D Goenka University, AUH Gurugram, Dr. Bhim Rao Ambedkar College, RCCV Girls College, Ghaziabad, CSIR-National Environmental Engineering Research Institute (NEERI),

Villa College Maldives, Tribhuvan University Nepal and Zoological Society of Bangladesh and supported by Indian Council of Medical Research, New Delhi. **Thanks to the TIC, Prof. M.S. Kadyan and his team.**

## DEPARTMENT OF GEOGRAPHY:

### 1. Special Lecture by Prof. Anu Kapur on 'Geography' held on September 11, 2024

The Department of Geography organized a special lecture by Prof. Anu Kapur, a retired Professor from the Geography Department of the Delhi School of Economics. The session provided an inspiring overview of the dynamic field of geography, highlighting its growing relevance, career opportunities, and practical applications. Prof. Kapur emphasized the multifaceted nature of geography, showcasing diverse career paths in urban and regional planning, disaster management, environmental studies, and GIS and remote sensing expertise.

She encouraged students to pursue advanced training in these technologies to meet the demands of the field. During the lecture, Prof. Kapur discussed the significant contributions geographers make in various sectors, including market research, management, and the tourism industry.

She urged students to enhance their communication and technical skills to stay competitive in the evolving professional landscape.

A highlight of the lecture was her reflection on cartographic work, particularly AURA: University of Delhi at 100, a centenary coffee table book launched by Prime Minister Narendra Modi. Prof. Kapur generously gifted this book to the department, leaving a lasting legacy.

### 2. One day Workshop on Applications of Remote Sensing and GIS held on September 19, 2024

The Department organized workshops on the transformative applications of Remote Sensing and GIS, with three insightful sessions led by distinguished experts, highlighting the potential of these technologies in addressing environmental and urban challenges. Participants gained a deeper understanding of how Remote Sensing and GIS can revolutionize planning and decision-making processes, making them indispensable tools for sustainable development.

#### Technical Session 1: Conservation of River Ganga with Technology

Mr. Piyush Gupta a real-time information specialist with the National Mission for Clean Ganga, discussed the use of Remote Sensing and GIS for pollution tracking, its habitat mapping, and resource management, showcasing their impact on conserving the Ganga River. Through case studies and real-world examples, Mr. Gupta showcased the measurable impact these advanced spatial technologies have had on the preservation and restoration of the Ganga River, inspiring attendees to explore the innovative applications and environmental conservation strategies.

#### Technical Session 2: Exploring the Digital Coordinates

Dr Rakesh Arya, Associate Professor from the Centre for the Study of Regional Development, CSRD, Jawahar Lal Nehru University, Delhi delivered an engaging lecture titled "Exploring the Digital Coordinates: Unleashing the Power of GIS. The lecture discussed the revolutionary role of GIS in spatial planning and data analysis, supported by vivid case studies across sectors like urban development and environmental management. Dr Arya emphasized the growing importance of GIS in integrating multi-layered data to support informed decision-making and policy development, urging participants to consider GIS expertise as a critical skill in their professional toolkit to enhance spatial understanding.

#### Technical Session 3: Urban Climate Studies with Remote Sensing

Prof. Atiqur Rehman from the Department of Geography, Jamia Millia Islamia, gave his presentation on "Remote Sensing Technologies in Urban Climate Studies: From Local to Global Scale," He explored remote sensing applications in urban climate studies, focusing on urban heat islands, land-use changes,

and climate resilience strategies. The workshops were a resounding success, inspiring participants to harness geospatial technologies for sustainable development. He highlighted ongoing research projects and advancements in remote sensing that are paving the way for innovative solutions to urban environmental issues, leaving the audience motivated to contribute actively to this transformative field. Prof. Rehman emphasized the importance of integrating local observations with global datasets to develop comprehensive models for urban planning and climate adaptation.

These sessions collectively underscored the transformative role of technology in shaping sustainable futures, inspiring students and professionals to harness its full potential.

3. **A five-day Geographical Field Trip of Semester-V students to Udaipur, Chittorgarh, and Kumbhalgarh districts in Rajasthan from 27th September -1st October 2024 Topic "Health and living conditions in fringe village of Udaipur and Kumbhalgarh districts in Rajasthan".**

The field trip provided an immersive learning experience in blending geographical study with cultural exploration. The visit covered villages in Udaipur (Phanda), Chittorgarh, and Kumbhalgarh, allowing students to analyse the intricate relationship between socio-economic factors, environmental challenges, and historical heritage.

- **Visit to Udaipur:** The students explored Lake Pichola in Udaipur city, an artificial freshwater lake created in 1387. This lake was used for drinking and irrigation purposes in those times. A visit to the Karni Mata Temple was done for an insight into the spiritual and cultural significance of that place. Students did a questionnaire survey at Phanda village southeast of Udaipur which provided valuable insights into agriculture, health and infrastructure, and socio-economic dynamics. City Palace is a magnificent structure reflecting 400 years of Mewar's royal heritage. Built by Maharana Udai Singh II and expanded by successive rulers the region's architectural brilliance and historical significance were also visited and surveyed.
- **Visit to Chittorgarh:** A visit to Chittorgarh Fort, a UNESCO World Heritage Site, offered a glimpse into Rajasthan's historical grandeur built by the Mauryan dynasty under Chitrangada Mori, the fort symbolizes Rajput bravery and resilience. Its sprawling architecture and cultural legacy left a lasting impression on the group. Students wrote their observations related to the life and economy around the fort area.
- **Visit to Kumbhalgarh:** The visit to Kumbhalgarh Fort, renowned for its 38-kilometer-long walls and significance as the birthplace of Maharana Pratap was a testament to the architectural brilliance of the Aravalli Hills. Students also did field survey in Kanunja Village and observed social challenges like child marriage and low female literacy along with inadequate health and sanitation facilities.

This field trip was a transformative experience, offering students a deeper understanding of Rajasthan's geography, cultural diversity, and socio-economic challenges from observing rural livelihoods in Phanda to exploring iconic heritage sites like Chittorgarh and Kumbhalgarh forts, the trip integrated academic learning with real-world insights and geographic research.

4. **Online Session on Chronic health issues and Cure through Natural Health Science by Dr Arun Sharma, Director, International Institute of Mahayoga & Natural Hygiene (IMANAH) on November 19th, 2024**

The Department of Geography hosted an engaging online session titled "Chronic Health Issues & Cure through Natural Health Science," delivered by the renowned Nature Cure Practitioner Dr Arun Sharma. Dr Sharma, who recently received the **International Gandhi Award (2024)** in Delhi for promoting

natural health globally, shared his profound insights into the connection between chronic diseases, lifestyle choices, and dietary habits.

During the session, Dr Sharma emphasized the importance of adopting Satvik food for improved health and well-being. He also highlighted the collective responsibility to combat air pollution and its detrimental effects on health, urging participants to take proactive measures for a healthier environment.

Participants actively engaged in the session, posing questions on healthy routines, dietary habits, and practical lifestyle changes. Dr Sharma's actionable advice resonated deeply, leaving attendees inspired to adopt natural and sustainable health practices.

The session provided valuable insights into the principles of natural health science, offering sustainable solutions to chronic health challenges. It empowered participants to embrace healthier lifestyles by blending traditional wisdom with modern health practices. **Thanks to the TIC, Dr. Tulika Sanadhya, and her team.**

## DEPARTMENT OF MATHEMATICS:

The Department organizes National and International level programs in periodical intervals throughout the year not only for the students of the Department but also for the students and the teachers of different colleges of the University. **Thanks to the TIC, Prof. Sarla Devi Bhardwaj, and her team.**

## DEPARTMENT OF PSYCHOLOGY

The Department of Psychology at Dr. Bhim Rao Ambedkar College organized an enriching series of events during the semester, each contributing to its overarching mission of fostering academic excellence, promoting mental health awareness, and encouraging experiential learning. These activities combined creativity, reflection, research, and exploration, engaging students and faculty in meaningful ways that extended beyond the classroom.

- On 10th October 2024, the department celebrated World Mental Health Day with a vibrant and interactive event organized by the Student's Psychology Association in collaboration with Youth for Mental Health. Centered around the theme "Time to Prioritize Mental Health" the event aimed to raise awareness about mental health issues and reduce stigma, while also promoting dialogue within the college community.
- Among the highlights was the Trust Circle, where participants dipped their thumbs in paint to create heart-shaped prints on a large canvas, symbolizing unity and collective effort toward mental well-being.
- Another noteworthy initiative was the "Change One Thing About Therapy" stick-it note chart, inviting students to share suggestions for improving mental health services. Responses ranged from increasing accessibility and affordability to reducing stigma and adapting therapy to an Indian cultural context.
- This platform allowed students to voice their opinions, sparking important discussions about mental health care. The event also included the distribution of Amaha mental health toolkits, which provided grounding exercises, journaling prompts, and practical tips to help students manage stress.
- A collaboration with Swaragini, the college's music society, added a therapeutic element to the event, where students could request their favorite comfort songs, creating a calming and supportive atmosphere. Additionally, the event promoted the upcoming Metropolis Research Project, focused on addressing gaps in mental health care for students in university settings.

- Overall, the day's activities fostered a sense of solidarity and community, leaving a lasting impact on the participants.
- On 22nd October 2024, the department hosted a discipline-oriented program titled "Psychology in Context: Past, Present, and Future," which explored the evolution of psychology, its current challenges, and future directions, particularly in the Indian context.
- Esteemed scholars, including Prof. Purnima Singh and Prof. Girishwar Misra, delivered thought-provoking addresses. Prof. Singh emphasized the importance of contextually sensitive research methods, highlighting the need for observational approaches and a balance between scientific rigor and humanitarianism. She underscored the role of societal engagement in understanding complex realities and stressed the significance of cultural specificity in psychological training. Prof. Misra focused on contemporary issues, critiquing the replication crisis and the over-mechanization of psychology, while also addressing the risks of technology eroding human essence.
- The program was further enriched by the presence of Dr. P.C. Patanjali, the college's founder principal, and concluded with a recognition of the speakers' contributions to the field. This event inspired attendees to explore innovative and culturally grounded approaches to psychological research and practice.

- The semester's activities culminated in a memorable departmental trip from 6th to 10th November 2024 to Dharamshala and Triund Peak. This trip combined academic inquiry, adventure, and cultural exploration, offering students a holistic learning experience. The journey began with a trek to Triund Peak, fostering resilience, teamwork, and mindfulness.
- In Dharamshala, students conducted a cross-cultural study on well-being, engaging monks and local residents through qualitative interviews and quantitative tests. The research provided valuable insights into the mental resilience of monastic life compared to the everyday challenges faced by the local community.
- Beyond academic engagement, the trip included visits to cultural landmarks and local markets, deepening participants' appreciation for Dharamshala's traditions and hospitality. The trip concluded with reflections on the findings and personal growth, reinforcing the department's commitment to experiential learning.
- Together, these initiatives highlighted the Department of Psychology's dedication to providing students with opportunities for intellectual growth, personal development, and community engagement. Through these events, the department not only enhanced the academic environment but also inspired students to address psychological issues with empathy, creativity, and a culturally sensitive approach. **Thanks to Dr. Ravi Shankar Ravi, TIC, and his team.**

## DEPARTMENT OF POLITICAL SCIENCE

The Department of Political Science has organized a lecture on 26th November 2024 to celebrate Constitution Day in the College under the convenorship of Dr. Arvind Kumar Yadav. Prof. Nachiketa Singh

Principal, Shyam Lal College (Eve) University of Delhi was invited as speaker in this programme. **Thanks to Prof. Arvind Yadav & his team.**

### बदलेगी सोच बेटी नहीं है बोझ उत्तर-पूर्व जिलाधिकारी वेदिथा रेड्डी

मुझे दिल्ली, लोकप्रिय। बेटी बचाओ बेटी पढ़ाओ अभियान के तहत उत्तर-पूर्व जिलाधिकारी तथा डॉ. भीमराव अम्बेडकर विश्वविद्यालय के संयुक्त संकायकर्मियों के संयुक्त विचार, तीन अंतराज्यीय गैर-आयुष्यीय अभियान पर कार्यवाही का आयोजन किया गया। कार्यक्रम में मुख्य अतिथि उत्तर-पूर्व जिलाधिकारी वेदिथा रेड्डी थीं। इस मौके पर उन्होंने सभी को स्पष्ट चेतावनी देते हुए कहा कि बेटी को केवल पढ़ावा ही नहीं है बल्कि सुशिक्षित स्वरूप भी प्रदान करना है। जिसके लिए अंतराज्यीय को सुरक्षित किया गया है। जिसमें सरकारी योजनाओं को लगे से तक पहुंचाने का काम किया जा रहा है। कार्यवाही के उद्देश्य के तहत केवल पढ़ावा ही नहीं है बल्कि सुशिक्षित स्वरूप भी प्रदान करना है। जिसके लिए अंतराज्यीय को सुरक्षित किया गया है। जिसमें सरकारी योजनाओं को लगे से तक पहुंचाने का काम किया जा रहा है।
